

Statement of Commitment to Child Safety

The Geelong College is a Child Safe School. We have a zero-tolerance stance on child abuse and are committed to the protection of all children from all forms of abuse. The Geelong College recognises that in order to achieve a child safe environment at the College which meets students' intellectual, physical, social, emotional and moral needs, students need to be involved in the creation and maintenance of such an environment.

We are committed to taking a preventative and proactive approach to providing a child safe environment where children and young people are safe and feel safe; they are empowered to use their voices when decisions are being made that affect their safety. We are also committed to providing simple and accessible processes to assist all children to identify and communicate when they do not feel safe. Particularly, this includes those who are Aboriginal and Torres Strait Islander, from culturally diverse backgrounds and those with a disability.

We are clear about our behavioural expectations of every person in our community and are committed to having a shared understanding of and responsibility for child safety. All staff are expected to uphold a culture that protects children from all forms of harm.
