4—THE PEGASUS,

G. A. Donnan
Captain of School, 1966.

S. J. Menzies
Vice-Captain of School, 1966.

J. D. Roydhouse
Dux, 1965.

THE PEGASUS

One of the distinctive qualities of the independent school is the provision of a wide range of extra-curricular activities. While sound academic training is an essential element, a variety of valuable experiences outside the classroom adds stimulating dimensions to a boy's education. Sport is an important part of this education, and The Geelong College has provided many opportunities in this field. With improving techniques, rising standards and keener competition, up to four nights each week have been given to sport training in the past.

In such a busy community as a school, a careful balance of the time given to various activities must be sought. This is most important in a comparatively small school like the College. The extra-curricular work done at the House of Guilds, the House of Music and in drama, for example, are of equal importance with sport, and it is not enough that some boys should have time for the one while other boys have time only for the other. If a sense of values is to be passed on to the boys in the school, they should have the opportunity to experience the benefits which come from participation in both spheres.

It was this belief that led to the newly planned extra-curricular programme available this year. The school day was lengthened by the reduction of the lunch hour and, although Cadets were moved to an afternoon between 2 p.m. and 4 p.m., the total weekly teaching time was increased. This made all five week nights available from 4 p.m. to 6 p.m. instead of only four as was the case when Cadets were held on one of them. Only three of the nights were used for sport training and the other two were made the exclusive preserve of other extra-curricular activities.

Few, if any, of the other Public Schools in Victoria limit sport in this particular way, but it achieves two clear objectives. It forces Geelong Collegians to make the most of their time at sport training, to concentrate and play hard, in an endeavour to reach a standard in keeping with their tradition; and it gives all boys a clear indication of the importance the school places on a sense of proportion in all things. It is undoubtedly good training for a boy to play hard and to work hard, as it is for him to take part in a sufficient variety of activities to help him broaden his horizons. Such is what this year's planning is intended to encourage.

JUNE, 1966—7

A SCHOOL T I V I T I E S

P.F.A.

After an energetic start, the P.F.A. settled down to some very constructive work. In only eight Thursday night meetings a wide variety of interesting and entertaining topics has been presented.

The highlight of the first few weeks was a visit from Mr. Bill Elliott who, showing slides, described the Ernabella Mission Station. This had the advantage of giving us the background to understand their choir which toured Victoria during March.

At one stage during the term the committee decided to carry out an experiment. This came in the form of a number of groups each discussing "Can a modern man believe in miracles?", and this provided much food for thought among the boys.

A Talent Quest was held in conjunction with Morongo near the middle of the term. As well as greatly augmenting our funds it proved to be a hilariously successful show, enjoyed by all. The winners from Morongo were the "Morongo Matrics" who gave "A Screen presentation of Dancing through the Ages". From College "Chaos and Co", consisting of Paul Dixon and John Duigan, proved to be quite outstanding, singing "Kilgara Mountain" and "Sunday School Song".

Another highlight of the term's activities has been the extremely successful camp which was held at the Ocean Grove Methodist Camp site. The theme of the camp, held in conjunction with Morongo, was "Boy-Girl Relationships". The Reverend J. Martin from St. Andrew's, helped by Mr. Bentley, led the study sessions which he made most interesting. A marked characteristic of the camp was the ease with which the boys and girls mixed. The way both parties discussed quite openly any subject Mr. Martin put forward was quite remarkable. The other camp leaders to whom we are most grateful for making such a successful venture possible, were Miss Shaw, Mrs. Bentley, Deaconess McLeod and Miss Rainsford.

The membership of the P.F.A. this year numbers one hundred and twenty. The members are classed as either Junior or Senior and are required to subscribe forty cents and seventy cents respectively to the Melbourne and District Head Offices. All P.F.A. members are divided into different groups for the purpose of allotting jobs of community service. These groups are led by one of the committee and during the year each group should get the opportunity to perform some act of service. Some jobs which have already been attended to have been mainly gardening for families and kindergartens needing help.

On the whole it appears that the P.F.A. has learnt a lot and in its turn has given a lot to others in the form of recreation, entertainment, service and study.

The committee, assisted by the Chaplain, consists of: Shanks G. H. (President), Rule H. W. M. (Vice-President), Hooke D. H. (Secretary), Prenter I. M. (Treasurer), Harris R. S. (Community Service Convenor), Williamson J. G. C. (Convenor of Devotions), Johnstone T. R. (Convenor of Publicity), Dixon P. L., Hobday R. J., Poynton D. J.

LIBRARY

First Term was a full term for the library. We were glad to welcome back Mrs. Wood. The highlight of the term was our extremely successful inter-school meeting. Mr. Blainey, an Australian history author, spoke to an audience of 60 from the Hermitage, Morongo, Geelong Grammar and ourselves. He gave an interesting and amusing speech on the method he uses to write his books. Mr. Blainey was accompanied by Mr. Stonier, the manager of Sun Books, who kept proceedings going at a lively rate. Altogether it was an enjoyable night for everyone.

The Library held two Council meetings in the First Term. At both much ground was covered and Mrs. Wood and Miss Bryant kindly supplied supper. At one meeting it was decided to introduce a VIth Form Library of fiction paperbacks to be housed in Room

JUNE, 1966—9

M1. The Council went to Griffiths and selected 50 suitable books. The venture has proved successful as the books are most popular. Another innovation in the Library this year is the re-introduction of a Junior Library Committee after a lapse of several years.

Four Library talks were held in First Term. All were of excellent standard and were enjoyed by many boys. The four speakers were Mr. Thwaites, Robert Spokes, Mr. Chislett and Mr. Whitton.

The Committees worked hard First Term and have everything well under control. The Library hopes to achieve as much in Second Term.

EXPLORATION SOCIETY

The arguments between Johns and some of the notorious types on Table 9 have raised doubts as to whether the amalgamation of the Scouts and the Exploration Society has taken place; however, the remainder of the school seems to have accepted the fact.

The main activity in Term 1 was the Otways Hike, held at Easter. We had full intentions of hiking eighty miles, but the Otways had other ideas, much to Colvin's delight.

We didn't measure the rainfall on Thursday night; we didn't dare. On Friday morning, at the first break in the clouds, we set off. Fortunately, the main cloudbursts that day held off each time until we had some sort of cover. Colvin chattered away like a parrot for at least two miles, telling us all sorts of repeatable stories about farmers and the ways they use to sell useless cattle. Gradually the voice faded and the noise of flat feet in rubber boots grew louder and louder. Robertson, finding the weight of his pack prohibitive, trudged on in painful silence, whilst he developed the biggest blister we have ever seen.

Ten miles, and hours later, we reached the wettest place in Victoria at the wettest time in the year. Mt. Sabine was to be the night's camping spot. Necessity is the mother of invention and somehow each tent invented

some way of making a fire. Tea tasted delicious.

In the early hours of the morning the rain poured, but most tents held. Saturday morning brought the first signs of good weather.

Saturday's hike of twenty miles was testing. Ground conditions made it impossible to cut down to the river, so we followed the road. We stopped for lunch within sight of the sea—so near and yet so far. It was here that Hutchison made the faux pas that was to plague him for the remainder of the journey.

Young and Roydhouse decided that the road journey had gone on for long enough, so we took to the bush, reached the river, and followed it to the sea. Boots were thanlfully removed for the hike along the beach to Apollo Bay. That night, Poynton and the lads went down the street to admire the scenery, but returned sadly disillusioned.

The final day was spent at Skenes Creek, by the river on a farmer's property. From here we were picked up by Mrs. Roydhouse and Mr. Coulson. We were grateful to them, and also to Rodger Dale who led the expedition.

CANOE TRIP

On December 11th 1965, a party of nine masters and boys set off on a canoe trip down the Murray River. Among our crew were Mr. Barley, his friend Mr. Harris, Captain Red-Beard (Mt. Cutts) and his friend John. Mr. Cutts and John, being lazy, quickly volunteered to be the shore party, who brought us food and requirements when it was necessary. They had a small Canadian canoe to amuse themselves with, and we had three two-man canoes and a single.

After a hot day's travelling we finally reached Howlong and refreshed ourselves in the cool, clean water. Unfortunately the water level was very low, so we had to watch for submerged snags. The next mormng we were soon on our way. We had only two beginners out of the seven canoeists, but after about five miles of zig-zagging, running aground, paddles clashing and the inevitable swearing, they were able to keep a reasonably steady course for the rest of the journey.

10—THE PEGASUS,

Who said it was hard work?

The weather was magnificent, the sun was shining each day, with temperatures over 90 degrees. Our rests mainly consisted of swims, for the water was fantastic. Sunbaking had to be reduced to the minimum, because of the strong reflection from the water, however we were all as brown as berries when we returned.

At night time we slept, without tents, on the huge sand bars which were numerous when the river was low. Although we had many lucky escapes from snags, there were very few serious rips. In fact the only canoe which was holed to any extent was that of the two beginners, who thought it was a great joke to try to paddle their canoe when it was six inches "under". Consequently their food, sleeping bags and equipment were soaked, and the repairing time gave us all a welcome break. "Twark" Carney, who joined us later, saved the day with his fibreglassing ability when the same crew was holed again the next morning.

The last day was the most strenuous for us all. We had to reach Barmah that night where the shore party was awaiting us. During the day we saw many fishermen and our continual "How far to Barmah, mate?" was answered by distances varying from "Just round the next bend" to "'Bout fifty mile".

Finally we were completely frustrated and only hoped we were on the right river. However, we made it after a long tiresome effort just before dark, and were very happy to see the shore party again.

It was a pleasure to reach home after ten days of travelling over two hundred miles, but we all admitted that it was the most enjoyable outdoor trip we had been on. Those who went, besides those already mentioned were: Henton, McNeil, Roydhouse J. W., Anderson M. J. and Chappell.

CHRISTMAS HIKE

Saturday, 11th December.

In Elliotts' and Jamiesons' cars we were driven to Melbourne where we caught the train to Heyfield. On arrival, Mr. Elliott spoke to the Forestry Officer while we had lunch. Early in the afternoon we were driven by Mr. Oliver north through Licola, at surprising speeds considering the bends and gradient. The driver dropped us off at the Tarli Karng turnoff on the Bennison Spur road. There we made a cache of food and, intending to return on our way north next day, set off south-west to Tarli Karng to camp the night. When we had tramped up a mountain, later identified as Trapyard Hill, and dropped down onto an excellent road to its east, we decided that we had missed our turn, and set off road-bashing westward. The sun was just setting when, rather footsore, we came over the rise to our cache after four miles of hard dirt road. Elliott, the aborigine, soon found us a soak, so we camped on the spot.

Sunday 12th December.

The flies woke us at 5 a.m. Four of us set off after breakfast, without packs, for Tarli Karng. It was a warm day and, having found our correct turning just a few minutes from camp, we walked most of the morning over beautiful rolling plains, dotted with clumps of snow gum and mobs of cattle.

Just after coming around the edge of Spion Kop, we dropped off the plains toward Tarli Karng. For the next hour or so we could hardly stop ourselves, so steep was the grade. We came to a halt just above the lake, in

JUNE, 1966—11

the tall timber, having left the snow gums soon after coming off the plains. We descended to the beautiful lake by a winding foot-track, and spent a lazy lunch hour there. Opposite us we could hear the noise of the falls where Nigothoruk creek comes into the lake.

We set off back in the early afternoon and decided that the hills had become considerably steeper. Having regained the plains, we were just nearing the camp when we met two old "Timbertop" boys whom Mr. Elliott knew. They continued to Tarli Karng in their land-rover, and then returned and camped with us.

Monday 13th December.

The land-rover took our packs ahead, and we walked about eight miles along the forest road to the Mt. Howitt turnoff at Mt. Arbuckle. There we picked up our packs and had lunch. After lunch we walked about four miles and then camped in light rain on the snowy plain, near the headwaters of the Shaw creek.

Tuesday 14th December.

Again walking along the road, we had not gone far when a Forests Commission grader offered us a lift. We clambered aboard, and for seven miles we enjoyed a wonderful view of Alpine Plains, ranges, and the Wonnagatta valley, to our east. It must have been quite funny to see six people, their packs still on, clinging to the grader in all sorts of positions and a plume of smoke emanating from the vicinity of the expedition fire-bug—Mr. Elliott!

We were dropped by the grader at the end of the new road, and continued along the old jeep-track for several miles. The going became rougher and rougher until after about three miles we were picked up by a Forests Commission land-rover. Fitting six, with packs, into a short wheel base land-rover was quite a problem so Adrian Davey sat on the bonnet. He was holding a "Jacob's staff" under one arm, and holding onto the spare wheel with the other. During some of the rougher and steeper stretches, the distant mountains could be clearly seen between him and the land-rover!

We were dropped off at a narrow saddle, known as "The Neck", after about four miles.

We walked on about a mile and then had lunch near the "Howitt" hut. That afternoon, after following the jeep-track, we missed the correct turn and wasted several miles in correcting ourselves. At sunset we arrived at MacAlister springs, an idyllic spot in the shadow of Mt. Howitt.

Wednesday 15th December.

We set off up Mt. Howitt, and when we had looked at the magnificent 360° view, we dropped off over "Big Hill", and started to climb adjacent Mt. Marjorie. We took a track, running between the mount and the river Howqua, which eventually led to a very steep grassed slope that rose up to a gap in the crags above us. We climbed up it rather than try to continue along the very steep slopes, and arrived at the top very exhausted. We all agreed that its name, "Hell's Window", suited it right down to the ground! Having recovered, we climbed the last few yards to the summit of Mt. Marjorie and then continued down past Mt. Magdala to a lunch spot between it and Mt. Lovick. After lunch we went over Mt. Lovick and, on its western side, met a mob of cattle driven by Mr. Stoney who encouraged us to camp at his hut just a few hundred yards further on. All except Mr. Elliott slept in the hut, and despite some rats, voted it a success—it snowed lightly during the night!

Thursday 16th December.

We had intended going over the Bluff, a colossal rocky massif to our north-west, but because of the weather, we decided to go straight down to the Howqua river. We followed the "Sixteen mile spur" track for about three steep miles down to the river and then walked downstream along eight miles of very beautiful track. We camped early on a wide flat near the "Eight mile creek hut". It was good to have unlimited water supplies, especially abundant washing water.

Friday 17th December.

We set off along the track, but were soon forced to take to the new Forest Commission road, because of the rockfalls over the track. It was a pleasant morning and we stopped and had lunch by the river after only five or six miles. After a leisurely lunch we pushed

12—THE PEGASUS,

on again and only went a mile or two before emerging onto Sheeppark Flat. Mr. Elliott decided we would camp, and left us to pitch our tents while he walked on to Schuster's to leave a message for our transport.

Some of us had a swim, and we all spent a lazy afternoon in the sun, by the bridge. Dinner consisted of all the usual leftovers, and most of us staggered to bed fairly full.

Saturday 18th December.

Mr. Stock arrived about mid-morning and, leaving Mr. Elliott and "Eggy" to be picked up by Mrs. Elliott, took the rest of us home to Geelong via Croydon. Mrs. Elliott, Mr. Jamieson, and Mr. Stock were a solid support team in providing us with transport both to and from the hike, and Mr. Elliott provided the kind of leadership which made a very successful and enjoyable hike.

Those there were: Mr. F. W. Elliott, Ian "Eggy" Forsyth, Ian Hiscock, James Hickman, Adrian Davey and Jeff Young.

SOCIAL SERVICE

This year the Social Service Committee has met with mixed success in raising money for the appeals which they have considered worthy of our support.

A new system has been devised whereby collection is now taken up during the Thursday morning service in St. David's, usually after a member of the committee or the organization concerned has put the case to the school. The result of this change is that the amount of money received has almost doubled.

So far we have aided the association which attempts to rehabilitate the juvenile delinquents of Geelong after they have been to court, Community Aid Abroad, Prisoners of Conscience, Red Cross, the Karingal rural centre, and Mowanjam Presbyterian Mission Station in Western Australia.

STAFF JOTTINGS

At the end of 1965 we lost the services of Mr. R. G. McLean and Mr. G. Cutts, each of whom had been at the College for one year.

Mr. M. W. Blank, B.Sc. (Queensland), M.A.C.E., and Mr. P. H. Chislett, B.Sc, Dip.Ed. (Melb.), have joined the Mathematics and Science staff this year.

Mr. J. Mawson has now taken up full-time duties on the music staff.

Mr. A. J. Firth, who retired from the Preparatory School staff last year, has joined the Senior School staff and is assisting at the House of Guilds and in Science Laboratory preparation.

Mr. G. J. Martin has taken charge of audio-visual aids and has also undertaken the painstaking work of College Archivist.

Mr. D. D. Davey began an extensive overseas trip of educational study in March and will return in September.

Mr. H. L. E. Dunkley has a Term's long service leave during second Term and is making a tour of South East Asia.

Replacing Mr. Dunkley in teaching Social Studies for the term is Mr. A. C. Johnstone, M.A. (Oxon.), from Scotch College, South Australia.

Everyone at College has, of course, been delighted that Mr. E. B. Lester is back in harness after his absence through illness.

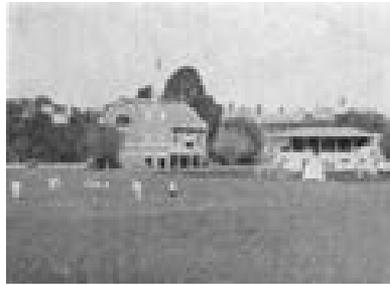

On Friday, May 6th, the College Council entertained the staff and the rowing coaches at a dinner at Kirrewur Court. This was a most pleasant occasion and the staff very much appreciate the generosity and wisdom of Sir Arthur and the Council in making this particular kind of Staff-Council contact possible.

All new members of staff were called upon to introduce themselves, and Mr. Albert Bell introduced, and spoke on behalf of, the rowing coaches.

Mr. D. Webb, President of the Common Room Association, expressed appreciation to Sir Arthur and the Council for their gracious gesture.

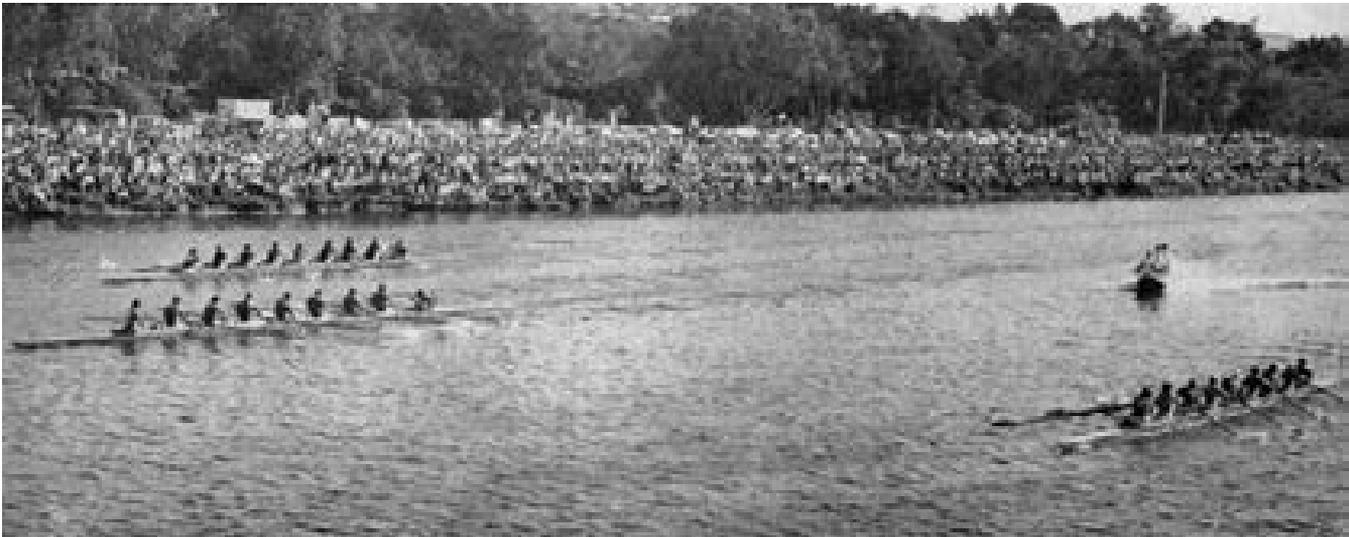

JUNE, 1966—13

SPORT

ROWING

Master-in-charge: T. L. Macmillan, Esq.

The Third VIII wins its final.

1966 has proved to be one of the best organized, most successful and happiest seasons the Boat Club has enjoyed. The credit for this must go almost entirely to Mr. Macmillan for the tireless effort and the amount of time he has spent improving and organizing different facets of the Club.

The season began with the naming of three new boats on the first day of term. These were the new practice eight, "Wimmera O.G.C.A.", and two practice fours, "Steele" and "Grey".

In the first few days as many crews as possible were arranged and sent out under the guidance of the coaches. The crews were gradually graded and sorted out as the season got properly under way with four nights rowing as usual, but with Friday as "the day of rest". This seemed agreeable to most as it allowed a rest for all before Saturday. However, only the first five eights were allowed to row on Tuesday nights which limited the Junior rowers' progress to a certain degree. The College entered in three competitions during first term: the Barwon Regatta, the Head of the River and the Junior Regatta.

The launch drivers, Ian Forsyth and Peter Russell, gave very reliable service and we were again appreciative of the work of Alan and Jeff Sykes in maintaining the boats and of Mrs. Cloke and the Dining Hall Staff in helping to prepare the crews for their races. We were also very grateful to Sister Skene,

Sister Lang and Doctor Morris for the medical advice and attention they gave us during the season.

Although we did not win the Head of the River this year it has been an exceptionally good "rowing year". All club members, from the seniors to the most junior 3rd Form Tubbers, were regretful when the season ended. This has in large measure been due to the boys themselves who have shown excellent spirit, both on and off the water, and to the grand panel of coaches, headed by Albert Bell. The latter have made rowing a happy sport despite the difficulties of attaining real skill with an oar. Results this year indicate that the College is entering an era when other schools will have to reckon at all times with powerful opposition from College crews.

Training time was shorter than usual this year and we perhaps did not see the best standard of rowing which some of our crews, given time, would have been capable of producing. An additional week of training might have made a difference in outcome in a number of final results. All crews from the Firsts down to the Eighth VIII, and especially the Thirds, who won their division, performed with great credit. It would be well to remind the boys in the Junior VIII's that they are the backbone of our future crews and the enthusiasm and dedication they showed this year is a happy augury for the future of College Rowing.

We must congratulate Scotch College and Melbourne Grammar on the excellence of their first crews this year. These were exceptional schoolboy crews. We can be pleased that it was an Old Collegian and ex-rower from our sheds who coached the winning Scotch crew. Furthermore, a number of Old Collegians as coaches of other schools' crews in different grades from Firsts to Fifths ably passed on what they had learnt in the College Boat Club.

This year we again have to thank many Old Collegians for their continued interest and support of the club: the Horsham Branch of the O.G.C.A. for a new wide practice eight in which the First VIII started the season and in which the Fifth VIII performed very creditably at the Head of the River; Jack Steele and Austin Gray for a gift from each of new practice fours, which have made House Rowing easier to boat and have given Junior rowers better boats in which to develop their early skills. We must also thank David Salmon and Neil Everist for their continuing help and close interest in the affairs of the boat club. There are numbers of other Old Boys who have also helped in various ways, especially J. H. C. and Ernie McCann, whose continuing interest has contributed to a successful year of rowing.

FIRST VIII

Coach: A. B. Bell, Esq.

The determination to do well was particularly evident in the First VIII and we were intent upon putting up a gallant fight. We did not really expect to win, but were sure that we were going to make it hard for anyone to beat us.

One of the most important reasons for this upsurge was the return of Albert Bell to coach the eight. No one can determine what it is that enables him to bring out the best in his men, but he does it year after year.

We began the season in the new training boat, "Wimmera". We rowed in it until after Barwon Regatta Day.

The Barwon Regatta was our only race before the Head of the River this year. We had a good row against St. Kevin's in the heats and, being the victor, rowed in the final. We were outclassed here by Barwon and Melbourne Grammar. It was excellent experience however. We then moved into the "Bromell", using the new oars made for us by Alan Sykes. The crew's seating was settled about two weeks before Boat-Race. We came to our

FIRST VIII

Cox, Atyeo D. L.; Stroke, Leishman L.; 7, Fraser W. L.; 6, Dennis W. L.; 5, Beel C. N.; 4, Kidd N. F. S.; 3, Simson R. D.; 2, Cole S. J. H.; Bow, Young P. A.

16—THE PEGASUS,

peak slowly but on the Saturday of Boat Race it is certain that we had reached it. Even though beaten in the final, we were not disgraced as Scotch broke the existing record by six seconds and we missed it ourselves by only one fifth of a second.

We appreciated the support shown by the old boys during the training weeks and especially that of David Salmon who coxed us on some of our best workouts. During the year no one was really sure of a place in the crew because only Nigel Kidd had returned from the previous year's crew. The final seating, with weights, was:— Bow, P. A. Young, 12-0; 2, S. J. Cole, 12-7; 3, R. D. Simson, 11-4; 4, N. F. S. Kidd, 12-9; 5, C. N. Beel, 12-10; 6, W. L. Dennis, 12-0; 7, W. L. Fraser, 11-5; Stroke, L. Leishman, 11-12; Cox, D. Atyeo, 8-7.

HEAD OF THE RIVER

First Heat

The first heat saw a very exciting race between last year's Head of the River crew, Wesley, and the powerful Melbourne Grammar crew. Melbourne Grammar, with neat power, finally won by 1 of a length in the time of 4.38. Brighton Grammar and Xavier were well out of the race.

Second Heat

Scotch were favoured and won very easily by 2½ lengths from Geelong Grammar and Caulfield in that order. Winning time was 4.42.

Third Heat

Geelong College was favoured from St. Kevin's and Carey. At the start we jumped away at 40 and had 1 length on St. Kevin's with Carey dropping back. At the half mile we were a length clear and rowing very nicely. We put in a poor third quarter and coming to the mills we were on level terms with St. Kevin's who were showing a great deal more pluck and fight than they had at the Barwon Regatta. At the mills, both crews sprinted and St. Kevin's took a very slight lead at the staging. Here the stroke called for a final effort and College again regained the lead and won by a canvas in the time of 4.48. Carey was well back in third place.

Final

Melbourne Grammar were on the south, Scotch in the centre and Geelong College on the north station.

The weather was fine with a fairly strong wind blowing slightly across the river from the north. In a good start from the stake boats, we took a lead of a canvass and held it for about 200 yards. We rated about 42 at the start. Scotch were stroking at about 38 with Grammar one less. At the quarter mile all three crews were fairly even. Here Scotch, maintaining their rating of 38, began to draw away with Grammar. Scotch from here gave

a superb exhibition of long-stroking, power rowing in their new Italian style boat, and went on to win from Melbourne Grammar with College third. The time was 4.31, a record. We congratulate Scotch on a magnificent effort.

SECOND VIII

Coach: R. W. Purnell, Esq.

At the commencement of the season three crews of nearly equal standard were boated to start the season smoothly and efficiently. The "C" crew emerged as the Second VIII within a week. Our coach, Mr. Bob Purnell, rowed in the 1947 and '48 College crews. His knowledge and wisdom were heeded and appreciated as everyone "looked up" to him. The crew included members of last year's First to Seventh VIII's, so the differences in experience were great. However, owing to our coach's ability and the crew's keenness these differences were nullified. Although Rex Gardner excelled in being late downstairs and Robert Berlyn developed his jocular "go slow" campaigns, the enthusiasm in the boat was high. We moved from "Pegasus II" to "Claremont" and found that our balance improved accordingly.

At the Barwon Regatta, apart from the cox, our crew was settled—although we did not know it then. We were quite unprepared for the race. We were drawn with M.G.S. and Yarra Yarra. As last year, a strong tail wind caused havoc at the start of the mile. However, the race was valuable as it showed us that M.G.S. were a fine combination and that we could keep the pressure on over the mile. We rowed down Yarra Yarra in the third quarter, but were no match for the skilful M.G.S.

Changes in the seating occurred until a week before the Boat Races. Andrew Jenkins proved an able seven and followed the stroke closely. His timing helped the crew as we started to rise to our peak. The last change brought cox Alan Edgar into the Second VIII. He settled in smartly and proved himself an asset to the crew. During the final week's training, our concentration improved considerably and, therefore our speed also improved.

Light College crews usually are fast off the mark. This applied to us, but we lacked the power of the better Second VIII's of S.C. and M.G.S. whom we had drawn in our heat.

We rowed on the north station next to Scotch, with M.G.S. and Caulfield on the south. At the start, M.G.S. forged ahead of the rest and stayed there. Scotch foundered and allowed us to gain half a length on them. Caulfield were coming last. After the first quarter mile Scotch rowed us down, but we held them from the mills. M.G.S. won by

SECOND VIII

Cox, Edgar A. W.; Stroke, Campbell N. J. H.; 7, Jenkins A. G.; 6, Gardner R. F.; 5, Coutts R. W. McL.; 4, Longton G.; 3, Berlyn R. S.; 2, Peardon P. U.; Bow, Paton J. S.

a length over Scotch with College I length behind, and Caulfield fourth.

The time was 3.28, which was 10 seconds faster than the other heat.

In the Loser's Final we were opposed to Wesley on the north station and Caulfield on the north centre. Wesley rowed away at the start and led by a length over us with Caulfield last. The positions remained unchanged until we challenged and overtook W.C. with about 100 yards to go.

Our congratulations go especially to M.G.S. and Scotch for producing such fine Second VIII's.

Coach Purnell, and many others, gave us devoted and unselfish assistance throughout the season.

The Crew was: Bow, J. S. Paton; 2, P. U. Peardon; 3, R. S. Berlyn; 4, G. Longton; 5, R. W. Mel. Coutts; 6, R. F. Gardner; 7, A. G. Jenkins; Stroke, N. J. H. Campbell; Cox, A. W. Edgar. Average weight, 11 stone 2 lb.

THIRD VIII

Coach: S. Thomas, Esq.

Rowing and exercises began on the 3rd of February but as there was no rowing on Friday, training for the Third VIII began in earnest in the "A. B. Bell" on Saturday. The

following week we moved up into the "Alan Tait", in which we eventually raced.

Our training was under the skilled and experienced guidance of Mr. Syd. Thomas, who, after an absence of two years, returned to coaching College crews.

Not until the Barwon Regatta were we reasonably settled and on that day we drew Geelong Grammar and St. Kevin's in the first heat of the Junior School Eights. In this race St. Kevin's got a slight lead in the first few strokes, but we steadily forged ahead and took the lead. Geelong Grammar gradually dropped behind. As the race wore on we increased our lead and won by 1 length in the time of 2.43.

In the final our only competitor was Brighton Grammar. Again we got a poor start and Brighton were soon leading by about half a length. Although with unfading determination we steadily gained on Brighton, they managed to keep ahead by half a canvas and won in the time of 2.54.

This rewarding result gave us the necessary spirit to train harder for Boat Race, three weeks later. In this time we began to do more and more fast work. Exercises stopped a little less than two weeks before Boat Race. From then on the heavy work involved in attaining fitness was over and soon after we began to lift ourselves to racing pitch.

18—THE PEGASUS,

At last the day came. We met Carey, Wesley and Caulfield in the first heat, and although we were confident, we did not underestimate our opposition. The starters gun rang out. Eight controlled bodies strained against their oars as we jumped to the lead. We had increased this to $\frac{3}{4}$ length over Carey when we crossed the line. Carey was closely followed by Wesley with Caulfield further back. We won the race in 2.16.

In the final against Melbourne Grammar and Xavier, we knew all the nights of exercises in the gym and the 400 miles on the river, were focused on this one race. Again the starter's gun rang out but this time all crews remained even until Xavier slipped back a little, but there was still nothing between ourselves and Melbourne Grammar. Even at the mill, in what was to be described as the closest race of the day, nothing separated us as we see-sawed for the lead. By now Xavier was well behind and out of the race. In our last desperate bowl to the line we managed to edge slightly into the lead to cross half a canvas ahead of Melbourne Grammar. The time for the race was 2.04.

Elated by our victory for Geelong College, we knew it would only have been a dream if it were not for the devoted time and enthusiastic attention of Syd. Thomas.

The crew was: Bow, A. R. Hill; 2, D. J. Ellis; 3, J. J. Mullins; 4, R. G. Saxton; 5, D. F. Koch; 6, G. T. Bigmore; 7, A. McClelland; Stroke, E. J. McLarty; Cox, D. B. Wardle. Average weight, 11 stone 6 lbs.

FOURTH EIGHT

Coach: M. Henderson, Esq.

We commenced rowing in "Riverina" on the 5th February under the watchful eye of coach Mike Henderson. We began exercises with the Fifth VIII on the 28th February. After some changes in the crew we started to settle down early.

We gained valuable experience from the Barwon Regatta on the 12th March, when we were beaten by Geelong Grammar.

We started to look like a crew in the last week, although a few changes were made. The heat was rowed against Scotch, Xavier and Caulfield Grammar. After three starts and much delay we got away.

A poor start left us unsettled for the first quarter mile. At the mills we were in third position by a length. Here we sprinted to the line to finish second, two feet behind Scotch with Xavier half a length away third.

We entered the final with confidence.

We got away reasonably well in number 4 station. At the quarter mile, Melbourne Grammar was leading, followed by Scotch and

Wesley, with ourselves last. Again we sprinted at the Mills and got within a canvas of Melbourne Grammar but unfortunately finished equal third with Scotch. Melbourne Grammar won with Wesley a canvas away second, and ourselves a canvas third. The time was 2.20.

Our coach, Mike Henderson, gave much of his time and effort to moulding us into a sound crew and we were most grateful to him.

The crew was: Bow, K. W. Nation; 2, G. J. Fryatt; 3, J. F. Strachan; 4, I. W. Jamieson; 5, P. C. Young; 6, R. H. Strong; 7, J. K. Smibert; Stroke, D. E. Lester; Cox, D. H. Hooke. Average weight, 10 stone 7 lbs.

FIFTH VIII

Coach: P. Millar, Esq.

Again coached by uncomplimentary "Dusty" Millar, the Fifths, in the College's new training VIII, "Wimmera", knew from the beginning that the going was to be tough. Throughout the season only a few changes were made, and "Dusty" managed, by fair means or foul to get us settled into a crew several weeks before the Head of the River. We all liked our new boat, although we were a light crew compared with the Melbourne schools, and we still felt we had a long way to go when the final week arrived. However, on the day we represented the College fairly well. Against Brighton Grammar and Caulfield Grammar, in the heat, we won by 1 of a length, and in the final against Wesley College and Geelong Grammar, we came a close third. Despite constant chyacking and persistent derogatory remarks, during the season, we couldn't have got along without "Dusty's" enthusiasm and encouragement.

The crew was: Bow, R. M. Morris; 2, J. R. Bowler; 3, D. W. Hamilton; 4, D. J. McIvor; 5, P. L. Bartlett; 6, J. E. Coope; 7, E. S. Taylor; Stroke, A. G. Davey; Cox, C. T. Andrews.

THE JUNIOR CREWS

The junior crews this year had a most enjoyable and beneficial season. Since the club membership this year was only about 110, the actual number of junior rowers available was somewhat less than usual. However, the willingness and enthusiasm displayed more than made up for this. We were under the guidance of Messrs. Leo. Lanyon, Wally Lehman, and George Searle, coaches of the Sixth, Seventh and Eighth VIII's respectively. After the Boat Race, Albert assisted in the preparation of these crews for the Public Schools' Junior Regatta held on the Yarra on April 16th. It was the first time we had

entered crews in this regatta and, although the Melbourne crews had between a stone and a stone and a half advantage, our crews rowed well and brought favourable comment from some coaches of the opposition.

SIXTH VIII

Bow, P. F. Laidlaw; 2, N. G. Forbes; 3, T. C. Dennis; 4, K. W. Nation; 5, J. M. Davidson; 6, D. G. Selman; 7, P. F. Fraser; Stroke, R. E. Wright; Cox, I. S. Grove.

Results:

Heat: G.G.S. 1; G.C. 2.

Losers' Final: W.C. 1; G.C. 2 (by 1 foot).

SEVENTH VIII

Bow, B. R. Plain; 2, J. D. Crellin; 3, E. A. Sutherland; 4, S. Fagg; 5, K. A. Borthwick; 6, G. S. Searle; 7, M. J. Betts; Stroke, P. A. Webster; Cox, R. W. Grimmer.

Results:

Heat: G.G.S. 1; G.C. 2.

Losers' Final: W.C. 1; G.C. and X.C. 2.

EIGHTH VIII

Bow, A. C. Urquhart; 2, C. A. Roebuck; 3, W. A. Lyon; 4, K. Edwards; 5, J. W. Thompson; 6, R. D. Ross; 7, R. McD. Sims; Stroke, B. A. Smibert; Cox, P. H. Vanrenen.

Results:

Heat: G.G.S. 1; X.C. 2; G.C. 3.

Losers' Final: G.C. 1; St. K. 2.

Many first year rowers were boated in the tubs and new fours. Here, Mr. Whitton, Mr. Baker, and Mr. Macmillan gave much time organizing and teaching these boys the essentials of rowing. Two fours also competed at the Junior Regatta.

HOUSE ROWING

House rowing this year was held shortly after Boat Race. The system was as last year, with each House boating two fours of first and second standard.

On the first day, four heats were rowed to decide the crews for the finals. On the second day a Losers' and Winners' Final for each division were rowed. The competition was marred by one unfortunate incident when Warrin's Second IV was disqualified for not observing the regulations about oars. Mackie won the Second IV's race, but Morrison, after winning the First IV's, turned out the eventual winners of the competition.

Results:

First IV's

Heat 1 1st Shannon
 2nd McArthur
 3rd Calvert

Heat 2 1st Morrison
 2nd Mackie
 3rd Warrinn

Winners' Final 1st Morrison
 2nd Mackie
 3rd Shannon
 4th McArthur

Losers' Final 1st Warrinn
 2nd Calvert

Second IV's

Heat 1 1st Mackie
 2nd Shannon
 3rd Calvert

Heat 2 1st Morrison
 2nd Warrinn
 3rd McArthur

Winners' Final 1st Mackie
 2nd Morrison
 3rd Shannon
 4th Warrinn

Losers' Final 1st McArthur
 2nd Calvert

Final Positions

1. Morrison
2. Mackie
3. Shannon
4. McArthur
5. Warrinn
6. Calvert

TENNIS

Acting Master-in-Charge: M. B. Keary, Esq.

At the initial tennis meeting this year, over one hundred boys wanted to make tennis their first term sport. Unfortunately, however, with only three courts available, many boys were unable to take tennis as their sport. But with some recruits who had previously played cricket, both senior tennis teams were strengthened.

Since our last tennis season, we have unfortunately lost Mr. F. R. Quick, whose tactics and enthusiasm will be remembered by all in tennis circles over the last decade and a half. Mr. Quick was coach of the First Tennis Team since its official recognition as a P.S. Sport in 1960, and was coach of the team when in 1961 and 1963 Geelong College was runner-up to Caulfield Grammar in the P.S. tennis final. However, we have as our new coach Mr. P. H.

20—THE PEGASUS,

FIRST TENNIS TEAM

Standing: Anderson S. M., Torode I. P., Hodgson G. R., Senior R. W., Cherry A. A.

Sitting: Dennis J. E. R., Unsworth I. H. (Captain), P. H. Chislett, Esq., Harris R. R. S. (Vice-Captain), Bailey A. W.

Chislett, whose enthusiasm to increase the standard of the senior tennis has led to the initiation of morning, pre-breakfast practices. Mr. Keary, in Mr. Lester's absence, has most assiduously and competently carried out the administration of tennis, and the organization of the junior tennis teams.

Following on the success of last year's social matches, two most entertaining and enjoyable matches were played against the Hermitage and Morongo with the co-operation of their respective tennis mistresses.

An entertaining match was also played by a pair from each age group against a staff team. As in most College situations, the staff proved superior.

Owing to the efforts of Mr. Keary and the Committee: Unsworth I. H. (Captain), Harris R. (Vice-Captain), Bailey A. W., Dennis J. E. R., Donnan G. A., and Shanks G. H., the Tennis Championships were begun again in the first term.

At the traditional Boat Race match against Geelong Grammar, College was able to continue their run of tennis successes against Grammar and win comfortably.

Those who gained selection in the First Tennis Team were: Unsworth I. H. (Captain), Harris R. (Vice-Captain), Anderson S., Bailey A. W., Cherry A. A., Dennis J. E. R., Hodgson G. R., Menzies S. J., Senior R. B., and Torode I. D.

The First Tennis Team met with mixed

success, having comfortable victories over Geelong Grammar, Carey, and St Kevin's, while losing substantially our other matches except for that against Melbourne Grammar in which we narrowly went down in the last match of the day.

The team was found lacking in consistent doubles performances; and apart from our number one player, Ian Unsworth, who lost only one singles match in the P.S. season, the team did not have enough depth in players who could consistently turn in good singles performances, especially against slightly stronger teams. But the talent shown in the Under 16 and Under 15 divisions of the tennis this year promises that some of these players, together with those of the First and Seconds returning, will soon make College as strong a tennis force as the leading Melbourne Schools.

Results:

- G.C. 6 rubbers 16 sets 157 games lost to M.G.S.
- M.G.S. 10 rubbers 22 sets 173 games.
- G.C. 10 rubbers 20 sets 159 games defeated C.B.G.S.
- C.B.G.S. 4 rubbers 12 sets 124 games.
- G.C. 1 rubber 2 sets 86 games lost to S.C.
- 15 rubbers 30 sets 188 games.
- G.C. 2 rubbers 5 sets 70 games lost to H.C.
- 10 rubbers 21 sets 144 games.
- G.C. 9 rubbers 20 sets 145 games defeated G.G.S.
- G.G.S. 3 rubbers 7 sets 84 games.
- G.C. 9 rubbers 17 sets 120 games defeated St. K.C.
- St. K.C. 3 rubbers 7 sets 84 games.
- G.C. 2 rubbers 6 sets 94 games lost to W.C.
- 10 rubbers 22 sets 147 games.

SECOND TEAM

Those who played were: Shanks G. H. (Captain), Williamson G. R. (Vice-Captain), Donnan G. A., Fagg B., Hardy P. C., McLeod I. C., Peters A. H., Senior R. W., Taylor G. S., Wettenhall G. B.

Results:

- G.C. 6 rubbers 16 sets 157 games lost to M.G.S. 10 rubbers 22 sets 173 games
- G.C. 10 rubbers 21 sets 154 games defeated C.B.G.S. 6 rubbers 11 sets 115 games.
- G.C. 3 rubbers 5 sets 84 games lost to S.C. 11 rubbers 24 sets 173 games.
- G.C. 1 rubber 6 sets 80 games lost to H.C. 10 rubbers 18 sets 129 games.
- G.C. 9 rubbers 15 sets 136 games defeated G.G.S. 7 rubbers 17 sets 129 games.
- G.C. 11 rubbers 20 sets 130 games defeated St. K.C. 5 rubbers 12 sets 107 games.
- G.C. 0 rubbers 0 sets 33 games lost to W.C. 8 rubbers 16 sets 96 games.

UNDER 16

Those who played were: Anderson B. N. (Captain), Anderson M. J., Coad R. J., Dickson J. W. M., Fairhead A. de G., Hutchinson D. A., Paton C. A. McA., Sim A. J., Smith N. L.

Results:

- G.C. 9 sets 66 games defeated G.G.S. 4 sets 50 games.

G.C. 6 sets 43 games defeated Geelong High School 4 sets 34 games.

G.C. 5 sets 37 games defeated Chanel College 3 sets 31 games.

G.C. 7 sets 62 games lost to G.G.S. 8 sets 68 games.

G.C. 2 sets 22 games defeated Chanel College 2 sets 18 games.

G.C. 4 rubbers 8 sets 74 games lost to G.G.S. 5 rubbers 8 sets 62 games.

UNDER 15

Those who played were: Dennis T. R. (Captain), Andersen S., Beaton P. J., Blyth G. C., Fenner R. S., Henshaw P. B., Lang C. M., Payne A. W., Richards C. R., Stone L. S., Van Groningen G., Weddell J. S.

Results:

G.C. 9 sets 69 games defeated G.G.S. 6 sets 61 games.

G.C. 4 sets 54 games defeated C.B.G.S. 4 sets 50 games.

G.C. 7 sets 47 games defeated Chanel College 1 set 12 games.

G.C. 7 sets 78 games lost to H.C. 7 sets 80 games.

G.C. 6 sets 43 games defeated G.G.S. 5 sets 40 games.

G.C. 6 sets 76 games defeated St. K.C. 2 sets 45 games.

G.C. 2 sets 49 games lost to W.C. 6 sets 64 games.

SECOND TENNIS TEAM

Standing: Taylor M. J., Wettenhall G. B., Peters A. H., Hardy P. C., Grainger C.
 Sitting: Fagg B. G., Shanks G. H., P. H. Chislett, Esq., Williamson G. R., Donnan G. A.

SWIMMING

Master-in-Charge: C. J. H. Barley, Esq.

SWIMMING TEAM

Standing: Davies P. R., Harding G. M., Lowe R. G., Roydhouse J. D., Chapman G. A., Ritchie L. S.,
 Lindquist D. K., Bojanovic G. S.

Sitting: Ritchie M. S., Chapman C. B., Menzies S. J. (Captain), J. V. Hanna, Esq., Wood G. C.
 (Vice-Captain), Batten D. L. H., Rule H. W. M.

The swimming team attended only five inter-school meetings this year instead of the usual seven. However, this was enough to provide opportunities for all would-be swimmers to show their talents. The open section was the strongest age-group with George Wood giving some fine swims. Junior swimmers to perform well were Dave Batten, James Roydhouse and Lachlan Ritchie. Advantage was taken of the new pool at Norlane for training and valuable assistance was given by Mr. Hanna.

The College was successful in retaining the Strachan Shield at the Geelong All-Schools competition, but performance against other Public Schools was not so good.

Results:

19th February at G.G.S.

1, B.G.S; 2, G.G.S; 3, G.C.

26th February at C.G.S.

1, C.G.S; 2, Carey; 3, G.C.

12th March at G.G.S.

1, M.G.S; 2, G.C; 3, G.G.S.

19th March at Wesley

1, W.C; 2, H.C; 3, G.C; 4, St. K.C.

26th March, Relay Meeting (2nd Division)
 at Wesley

1, H.C; 2, Carey; 3, G.C; 4, X.C; 5, G.G.S;
 6, St. K.C.

Swimming suffered this year from the lack of depth in the under-age groups. Individuals did well in their events but points were lost by not having enough good "second strings" to support them. This dilemma was further emphasized in relay events. As a result in some age groups virtually anyone able to swim could win a place in a team.

Naturally, the prestige of the swimming team diminished. Members of the team, however, are not unduly concerned; we have reaped better than we have sown and for the first time in many years swimmers were really sorry when the season finished. In this light, then, swimmers have achieved as much as any College team.

HOUSE SPORTS

The annual House Swimming Sports were held this year at the Norlane swimming pool on February 24th.

The Inter-House contest was won comfortably by Shannon House, which had two of the four individual champions among its representatives.

Aggregate points were: Shannon, 160½; Mackie, 109; Warrinn, 93i; McArthur, 83; Morrison, 77; Calvert, 59.

The open individual championship was won by G. T. Bigmore with a total of 11 points, G. C. Wood with 5 points was second and M. S. Ritchie with 2 points third.

Other individual championships were:

Under 16: D. L. M. Batten, 7 points, 1; J. W. Roydhouse, 2 points, 2.

Under 15: L. S. Ritchie, 5 points, 1; G. S. Bojanovic, 4 points, 2; D. K. Lindquist, 1 point, 3.

Under 14: D. E. Clarke, 6 points, 1; S. A. Jenkins, 4 points, 2.

OPEN

200 Metres Freestyle: G. T. Bigmore (S), 1; G. C. Wood (W), 2; S. J. Menzies (Ma), 3. Time: 2 min. 28.6 sees.

200 Metres Freestyle Relay: Warrinn, 1; Mackie, 2; Shannon, 3. Time: 2 mins. 28 sees.

150 Metres Medley Relay: Shannon, 1; Mackie, 2; Warrinn, 3. Time: 2 mins. 2.5 sees.

UNDER 14

50 Metres Freestyle: D. E. Clarke (McA), 1; S. A. Jenkins (Mo), 2; S. Anderson (C), 3. Time: 36.5 sees.

50 Metres Breaststroke: D. E. Clarke (McA), 1; T. R. Brown (W), 2; K. A. Borthwick (Ma), 3. Time: 45.8 sees.

50 Metres Backstroke: D. E. Clarke (McA), 1; S. A. Jenkins (Mo), 2; R. W. Moore (Ma), 3. Time: 45.8 sees.

200 Metres Freestyle Relay: McArthur, 1; Calvert, 2; Morrison, 3. Time: 2 mins. 55 sees.

150 Metres Medley Relay: McArthur, 1; Calvert, 2; Morrison, 3. Time: 2 mins. 19.7 sees.

CRICKET

Master-in-charge. E. B. Davies, Esq.

Bill Farrow, Vice-Captain in 1965, was unanimously elected captain for 1966, with Geoff Oman and Alex Morrison joint Vice-Captains. Bill proved to be a fine captain, and in a quiet, unassuming way showed a talent for leadership. He captained the team with a high degree of sportsmanship and this in no small way helped to make the XI popular, and respected by our opponents. Geoff and Alex capably supported Bill, and this experience should be of great value to them next year.

Because school commenced one week earlier than usual, our pre-season practices were not held, and only one Saturday was available

24—THE PEGASUS,

before the first P.S. match was played. Our team was therefore not in top form when the season opened, and took some time to settle down.

For the first time since the introduction of the present system of P.S. matches, the College played 7 matches and had no bye. Our record of 2 wins and 5 losses does not appear very good in print. However, much improvement was evident at the end of the season, and we won our last two matches in good style. With the exception of the match against Scotch, who inflicted our worst defeat for many years, the other matches were full of interest and provided good cricket. Some individual highlights of the season were as follows:

- (1) The spectacular improvement of Gregor Gilmore's medium pace left arm bowling; Gregor's 23 wickets were well deserved. Gregor's efforts with the bat also provided a spectacular sight.
- (2) Alex Morrison's medium pace top spinners worried all teams; with concentration and consistency he will be a top class all rounder.
- (3) Bill Farrow's fine 107 against Carey, and consistent losing of the toss!
- (4) Geoff Oman's consistent batting, and his knack of picking up a wicket at the right time.
- (5) David Barkley's courageous and skilful batting, and sound wicket-keeping.
- (6) Darryl Malseed's dogged batting, lively bowling, and magnificent close-in fielding. Darryl took 10 catches, most of them no more than 8 feet from the bat at forward, short, square leg.
- (7) Andrew Cunningham's 15 in 135 minutes against Haileybury.
- (8) Jamie Williamson's steady improvement.
- (9) Andrew Bell's hard hitting 33 on a sticky wicket against Wesley.
- (10) Bruce Illingworth's match saving innings against St. Kevin's and Wesley, and a good knock at Carey. Bruce's back injury was a blow to the team, as we lost his bowling for 4 matches. This was proved in the last match, when Bruce cleaned up Wesley's tail to record our second win.

A further highlight of 1966 was the tour of New Zealand by a combined College and Grammar team. This was highly successful, and the boys will never forget the hospitality shown to us by the New Zealanders. We are specially grateful to Mr. John Hunt, Auckland; Mr. Hamish Fletcher and Mr. Syd Turnbull, Wellington; Clive Geary, Dunedin; Mr. Wal Mapplebeck and Mr. C. F. S. Caldwell of Christchurch Boys' High School.

Once again Mr. Stuart Rankin and his staff provided good tracks for practice, House and P.S. matches, and Mrs. Cloke and the Re-

factory staff, helped with meals and afternoon teas. Ian Bishop was a most efficient scorer for the First XI and was ably supported by numerous boys who operated the score board and sight boards.

Some years ago the College XI made a tour of the Western Districts. Mr. E. B. Davies would like to hear from cricket loving Old Collegians in any part of Victoria who feel that something like this could be arranged in January 1967.

Boys who played in P.S. matches were: Anderson I. C., Barkley D. S., Bell A. A. A., Bell A. D., Craig G. E., Cunningham A. H., Farquharson G. A., Farrow R. W. Mel. (Captain), Gilmore G. M., Illingworth G. B., Johnstone T. R., Malseed D. G. A., Morrison A. W. (Vice-Captain), Oman G. G. (Vice-Captain), Prenter I. M., Williamson J. G. C.

FIRST P.S. MATCH

Geelong College v. Melbourne Grammar School at Geelong College, 12th-13th February,

The Melbourne Grammar captain, Bromwich, won the toss and elected to bat. For some time the College bowlers had no success at all, and Melbourne's formidable partnership of Pettifer and Firth managed to amass 145 runs between them. Finally, College made a break-through when Oman, the replacement wicket-keeper, stumped Pettifer for 68. From this stage, only Whittakers offered any resistance, and at stumps Melbourne Grammar were 8/203.

On Saturday, Melbourne were rapidly dismissed, leaving a score of 220 for College to chase. The innings progressed steadily, with Oman batting solidly, and by lunch College were 3/101. Unfortunately, after this break, batsmen went down like nine-pins, ending up with but 121 runs. Melbourne returned, and ran up a quick 91 in their second innings for the loss of only one wicket, and then declared.

In the Second Innings the injured Barkley, in a feat of brilliant batting, scored a fighting 31, and managed to stave off outright defeat by 3 wickets.

SECOND P.S. MATCH

Geelong College v. Carey Baptist Grammar School at Carey, 18th-19th February.

The day was cool, and marked by a blustery south wind. After winning the toss, Farrow put Carey in to bat on a grassy wicket. However, the efforts of the bowlers were marred by a succession of dropped catches, with the result that Carey's first wicket did not fall until the score reached 81. After they had broken the ice, College met with decidedly more success. Although a further two batsmen reached 40, the score at the end of the day stood at 7/230.

The remaining batsmen managed to add 31 to their team's score before they were dismissed on Saturday, leaving College with 262 runs to attain in 320 minutes.

The innings began well, with Farrow and Malseed taking the score to 45 by lunch. After this, Malseed was caught for 21, and Oman, who then went in, retired hurt. The College batsmen, especially Farrow, were hitting out well, and, were it not for the unfortunate run out of Barkley, the score might have been even better than 3/149 at afternoon tea. After this, the score crept up to 200, and victory seemed within grasp, but after Farrow was

26—THE PEGASUS,

given l.b.w. for 107, the incoming batsmen were ousted one after another by the accurate Carey bowlers. With thirty minutes still left to play, the last wicket fell, with Collee 18 short of the Carey total.

THIRD P.S. MATCH

Geelong College v. Scotch College at Scotch College, 25th-26th February.

Scotch put Geelong in to bat on a lively wicket, under overcast skies. After a promising start, with two fours being hit in the first over, hopes were dashed when the Collee team went down like a pack of cards before the fast, although inaccurate, Scotch bowlers. After a little over an hour, the Scotch openers were in, and although their captain, Curtis, was caught for a duck in the first over by Johnstone, Austin and MacWhirter soon managed to bat up 99 runs before the second wicket fell.

By the following day, the wicket had dried out, and the Scotch batsmen began aggressively. Although such action cost them wickets, Morrison taking four in consecutive overs, Scotch were able to declare at 11.12 a.m. with the handy score of 9/246. Collee's second innings began badly when Farrow was caught in the first over. Oman, Malseed and Barkley all batted well, but after each of them was caught, no batsmen looked confident, and only Illingworth gave any impression of security.

The Collee innings fast drew to a close, and final defeat came with the dismissal of Gilmore, bowled for one.

Scotch achieved her outright victory by an innings and 50 runs.

FOURTH P.S. MATCH

Geelong College v. Haileybury College at Geelong College, 4th-5th March.

The match began well for Collee when Malseed bowled Haileybury's opening batsman, MacKay for two in his first over. With the score at 4/58, Collee's chances looked bright, and the Haileybury batsmen continued to struggle against the hostile bowling of Malseed and Gilmore. Although at tea the score was 7/122, Haileybury went on to bring the score to 9/232 at stumps. On Saturday, Sinclair was caught by Anderson after only eight

more runs had been scored leaving College 240 runs to chase. After a slow beginning, the College openers were just warming up when Cunningham was run out. A little later, Barkley was also run out for a low score, but the other batsmen were performing well. Regretably, after lunch, the batting collapsed, and neither Morrison nor Williamson could save the innings from swift closure.

Haileybury went in for 45 minutes and hit up 81, declaring at afternoon tea, giving College a sporting chance to make 174 runs in 120 minutes. College took up the challenge eagerly, and despite the run out of Oman, 50 was posted in 31 minutes. Because of fine batting by Farrow, Barkley, Malseed and Illingworth, the score stood at 5/142 at 5.40 p.m. and a College victory hovered within grasp. Unfortunately, as was so often the case before, the tail end of the team proved unable to meet the demand. One by one they went down before the spin-bowling of Sinclair and Kenely. At last, Anderson faced the second last ball of the match. It rapped him on his pad, and the entire Haileybury team appealed. For five suspense filled seconds, the umpire stood silent, and then gave the decision which fulfilled Haileybury's gamble, and robbed College of its possible two points. Anderson was dismissed l.b.w.

FIFTH P.S. MATCH

Geelong College v. Geelong Grammar School at Geelong College, 11th-12th March.

The grudge match between the two traditional rivals was played in perfect weather. At first, in spite of the loss of an early wicket, Grammar, who had decided to bat first, did their job well, until Gilmore dismissed Dart, and O'Byrne and Siede fell to Oman in the following over. Unfortunately, in this match as in many before it, College failed to take full advantage of their early success, and the two batsmen in, Oman and Mann, settled down to make 165 before Mann was bowled. At stumps, Grammar were 5/272 and declared.

Next morning, Malseed was dismissed before College had scored. Cunningham and Oman managed to retrieve the position with a partnership of 61, but when Cunningham, a slow but steady batsman, was bowled by Dodge, a number of further wickets fell for fairly low scores. Williamson batted well to reach his 23 in 27 minutes, but the team was doomed to defeat, and was all-out by 2.53 p.m. trailing Grammar's score by 129 runs.

College were forced to follow on, and again began badly, so that they were 2/14 by afternoon tea. With the ominous clouds of a third outright defeat in as many weeks hanging over their heads, Farrow and Oman came out to bat, and with a brilliant partnership of 122, pulled the game from the fire.

The course of the match produced some very good batting and bowling on both sides, but Grammar proved to be more consistent, and through this won the game.

SIXTH P.S. MATCH

Geelong College v. St. Kevin's College at St. Kevin's College, 18th-19th March.

After winning the toss, College put St. Kevin's in to bat. The wicket was very sticky, and the sky overcast, with the result that St. Kevin's managed to hit only 2 runs off the first five overs. In the following two overs, Malseed and Gilmore each took a wicket, leaving St. Kevin's 2/4. Ball and Kirsch added a respectable 41 to this, but in one of his characteristic bursts, Gilmore took three wickets in four balls. Immediately following this, Farrow was asked to stop bowling Gilmore because the umpire suspected him of throwing (a strange request), but the withdrawal was only temporary, and Gilmore later came back to take two more wickets. Half-an-hour after tea, St. Kevin's were all out for 86.

The stage was set for a College victory, and they opened with a new batting order, so that 19 runs were hit off the first two overs. After 15 had been reached, however, College collapsed from 0/15 to 5/26, and it seemed that St. Kevin's might emerge the victors.

Luckily, Illingworth and Barkley managed to survive the 35 minutes to stumps and the score was left at 5/57, College needing 30 more to win. Heavy rain held up play on Saturday, and the match did not resume until 2 p.m. When play did finally resume, Illingworth was summarily dismissed, but Barkley, Cunningham and Williamson scraped up the required runs between them, leaving College all out for 101. In their second innings, St.

Kevin's stepped up their batting, but rain stopped the match at 4.50 p.m.

SEVENTH P.S. MATCH

Geelong College v. Wesley College at Geelong College, 25th-26th March.

Wesley put College in to bat, and they found the pitch difficult to handle after heavy rain. Despite the early loss of the wickets of Cunningham and Prenter, Bell batted aggressively to hit a solid 33. Although Morrison, Oman and Farrow were all dismissed cheaply, Illingworth joined Barkley to add a fighting 56 to the score before both were stumped. While together, they brought up the hundred in 102 minutes. The remaining batsmen made very little impression on the score and Wesley, aided by three run-outs, removed College for 133 at 4.30 p.m.

Wesley also began badly, Lugsdin being dismissed by a brilliant catch by Bell in slips off Gilmore's first over and the high scoring Moss being run out by a neat piece of fielding on the part of Prenter. Two more batsmen

JUNE, 1966—29

were later dismissed, so at stumps Wesley were 4/39. Next morning, Pryor and Gurner began batting well, taking the score to 62, until Pryor on-drove a ball which rebounded from Williamson's boot at silly mid-on, and was caught by Morrison, the bowler.

Not realizing his feat, Morrison, seeing that Pryor had left his crease, threw the ball to the wicket-keeper hoping for a run-out, but there was an appeal for the catch, and Pryor was given out. A later batsman, Farrington, tried to prolong Wesley's innings by making four runs in 94 minutes, but at 1.56 p.m. Wesley were all out for 96, Illingworth taking the last two wickets.

College entered their second innings 37 runs ahead. After the dismissal of Prenter, Oman went on to make 50, and by afternoon tea, College were 3/71. Glimpsing the faint chance of an outright victory, College began to bat aggressively but the swift loss of three wickets deterred them somewhat. Malseed and Williamson batted steadily to confound any hopes Wesley might have held, so when Wesley did finally enter their second innings, the time was too short to give them any chance, and the end of play saw them still 100 runs behind.

The seemingly optimistic plan put forward earlier by the Principal, that the team might end the season with a glorious burst of two successive victories, was realized.

CRICKET TOUR OF NEW ZEALAND

The "Geelong" team, as we became known in New Zealand, comprised fifteen boys, ten from College and five from Grammar accompanied by Mr. and Mrs. Davies. The College boys who made the tour were Philip Marshall (Captain), Bill Farrow (Vice-Captain), Des Barr, Robert Davey, Scott Fletcher, Edwin Heard, Terry Johnstone, Alex Morrison, Ian Prenter and Doug Smith, and from Grammar came Bill Beasley, Bill Forwood, David O'Byrne, David Oman and Dick Vautier.

Members of the team were particularly grateful to the billets with whom they stayed in New Zealand and to Mr. and Mrs. Davies who put a great deal of time into making this a very profitable and successful tour for the boys.

Two interesting side-lights of the tour which were accepted with mixed feelings were the ready availability of private transport and the constant fear of shark which prevailed throughout both islands. In New Zealand any person over the age of fifteen may obtain a driving licence and consequently most of the boys with whom we stayed owned their own cars or had frequent access to the family car, and this made the tour much more enjoyable for all; places which otherwise would have been difficult to visit were on the time table of many, although the beach was rather a dreaded topic. Until recently the shark was an unknown menace in New Zealand waters, but because of the sighting of one or two in the northern waters around Auckland both islands tremble with fear, and although the weather at times was ideal for swimming few ventured further than the hot springs.

If unfavourable examination results were on the mind of any matriculation student who had scanned the morning papers the day

30—THE PEGASUS,

we departed for New Zealand, they were soon cast aside, for a light hearted spirit took command.

The team used air transport throughout the tour and this enabled a large number of aerial shots to be taken of the New Zealand Alpine region and other known features when a break in the clouds permitted.

In Auckland, our first city, we were opposed to a combined Auckland Secondary Schools' team which included one or two brothers of Plunkett, the shield player, the Plunkett Shield being the equivalent to the Sheffield Shield. The match was played at Eden Park which is the venue for test matches and preparations were already being made for the English tour which followed almost a month later. The two day match was won by Auckland after Philip Marshall, who made 80, gave the opposition a very generous declaration. We had one spare day on which most went sight-seeing North of Auckland and, although no one made the trip to Rotorua, most managed to sample the hot baths in the Auckland area.

Since the population of Auckland is nearly double that of Wellington although the latter is capital, there is some amount of rivalry and jealousy between the two cities. One is warned by Aucklanders to expect a cold, wet, windy reception in Wellington, and the day we arrived was no exception as far as the wind was concerned. After one day of sight-seeing, two one day matches followed. The first was lost narrowly to another combined side after play had commenced in thick fog. The second match was lost by quite a margin, although Alex Morrison made 73.

From Wellington we flew to Dunedin where we arrived at the commencement of their festival week and, although the weather somewhat marred out-door sport, our match against a Combined Otago school boys' team was widely publicised as one of the features of the week and on the only day in which play took place there were no less than eight reporters at the game at different times; television cameras also covered some of the play.

The second day was washed out by rain when the Otago team was in a commanding situation. While in Dunedin most of us had the opportunity to see an athletics meeting in which Russians, Australians and New Zealanders participated.

The last stage of our tour took us to Christchurch where after one free day, we met Christchurch Boys' High School in the last match of the tour. This was the only occasion on the tour in which we played a single school and through good performances by Bill Farrow with 97 not out and several others we were able to win an exciting match; a fitting finale to the tour.

From Christchurch we returned home by plane on the 28th January. Of the seven boys

who returned to school in 1966, two became Captain and Vice-Captain of Geelong Grammar School, two held the same offices at Geelong College and two of the remaining three played First XI cricket. So, although the team which made the tour was far from the strongest team which could have been sent, it did never-the-less have its good players and others gained useful experience.

FIRST MATCH OF TOUR

Geelong College/Grammar v. Combined Auckland Secondary Schools at Eden Park.

GEE LONG, First Innings:

| | |
|-------------------------------|------------|
| Farrow b. Sutherland | 22 |
| Vautier b. Chudley | 1 |
| Marshall c. and b. Sutherland | 24 |
| Forwood l.b.w. Chudley | 20 |
| Oman l.b.w. Sutherland | 31 |

SECOND XI

Coach: A. A. Grainger, Esq.

Those who played were: Senior G. B. (Captain), Anderson I. C., Bell A. A., Bell A. D., Browne D. L. E., Coutts J. A., Craig G. E., Cunningham A. H., Dawson L. M., Farquharson G. A., Keith I. A., Lamont I. D., Prenter I. M., Read D. G., Scott I. G., Wall A. H., Wettenhall A. H.

Results:

G.C. 98 lost to M.G.S. 7-167 (Keith 22, Anderson 4/34).
 G.C. 127 defeated C.B.G.S. 105 (Cunningham 22, Bell A. A. 45 and 4/44).
 G.C. 145 defeated S.C. 141 (Cunningham 35).
 G.C. 171 defeated H.C. 114 (Prenter 50, Scott 32, Bell A. A. 22).
 G.C. 84 lost to G.G.S. 172 (Prenter 27).
 G.C. 143 defeated St. K.C. 39 and 5-34 (Farquharson 50, Senior 32 and 5/17, Wall 5/19).
 G.C. 117 lost to W.C. 136 (Craig 35, Read 24, Senior 3/25).

THIRD XI

Coach: M. W. Blank, Esq.

Those who played were: Duigan J. L. (Cap-

tain), Read D. G. (Vice-Captain), Barton R. B., Carstairs R. T., Dawson L. M., Dixon P. L., Douglas J. G., Downey W. A., Heard E. C. B., Holland R. A., Lloyd L. P., McArthur D. A., Poynton D. J., Thomas R. D.

Results:

G.C. 71 defeated C.B.G.S. 66 and 5/29.
 G.C. 47 lost to S.C. 4 dec. 152.
 G.C. 140 lost to G.G.S. 5 dec. 220.
 G.C. 9 dec. 137 defeated St. K.C. 84.

UNDER 16 A

Coach: R. B. Tattersall, Esq.

Those who played were: Taylor G. M. (Captain), Atyeo D. L., Bullen L. J., Costin B. L., David G. A., Head R. M., Johns A. H., Johnstone D., Johnstone T. R., Jones G. L., Marendaz P. L., Robertson M. A. C., Smith I. R., Watson D. J., West J. E.

Results:

G.C. 64, 6-48 lost to M.G.S. 208.
 G.C. 84, 8-61 lost to C.B.G.S. 127.
 G.C. 78, 5-50 lost to S.C. 5 dec. 141.
 G.C. 116 defeated H.C. 34 and 1-16.
 G.C. 80, 83 lost to G.G.S. 7 dec. 187.
 G.C. 112 defeated St. K.C. (outright) 47 and 6-57.
 G.C. 32, 49 lost to W.C. (outright) 9 dec. 75, 0-17.

UNDER 16 B

Coach: Rev. J. D. Bentley.

Those who played were: Lees I. R. (Captain), Atyeo D. L., Baird I. A., Betts P. L., Bullen L. J., Costin B. L., Douglas J. G., Forbes M. J., Fullard C. W., Harris R. N., Heard R. M., Holland P. G. V., Johns A. H., McInnes R. A. T., Riddle M. A., Robertson M. A. C., Smith I. R., Turnbull P. T. R., Watson D. J., West J. E., Yockins R. C.

Results:

G.C. 163 lost to M.G.S. 184.
 G.C. 8 dec. 71 defeated C.B.G.S. 42 and 35.
 G.C. 99 lost to S.C. 110.
 G.C. 86 lost to H.C. 166.
 G.C. 109 defeated G.G.S. 95.

UNDER 15 A

Coach: M. Stock, Esq.

Those who played were: Sheringham R. J. (Captain), Habel T. W. (Vice-Captain), Asplin L. D., Barr P. S., Bennett I. L., Bramley R. V., Collins C. N., Jenkins S. A., Jeremiah R. J., McAdam G. A., MacPherson I. A., Milne L. G., Watson B. F. J.

Results:

G.C. 173 defeated M.G.S. 125.
 G.C. 134 defeated C.B.G.S. 98.
 G.C. 71 and 9/67 lost to S.C. 3 dec. 143.
 G.C. 133 defeated H.C. 94.
 G.C. 143 defeated W.C. 140.

UNDER 15 B

Coach: R. W. Seaton, Esq.

Those who played were: Milne L. G. (Captain), Asplin L. D., Blake S. C., Bramley R. V., Chatham T. R., Gorell K. E., Feddersen D. I., Hickman H. J., Jenkins S. A., Murray D. J., Osmond P. J., Randell A. J., Revie I.

C, Runia D. T., Smart E. R. J., Watson B. F. J., Wettenhall A. R. L.

Results:

- G.C. 76 lost to M.G.S. 86.
- G.C. 78 lost to S.C. 184.
- G.C. 194 defeated H.C. 94.
- G.C. 180 defeated G.G.S. 116.
- G.C. 110 defeated St. K.C. 57.
- G.C. 101 defeated W.C. 20.

UNDER 14 A

Coach: Rev. E. C. McLean.

Those who played were: Forsyth R. J. (Captain), Brown T. R. J. (Vice-Captain), Clarke D. E., Craig B. M., David M. L., Deans R. J., Embling D. J., Jaques S. R., McArthur W. M., McLean L. R., Millikan S. W., Morrow G. T., Nail J. S., Sambell G. K., Scott-Murphy C. J., Woodburn J. F.

Results:

- G.C. 115 and 7/64 lost to M.G.S. 273.
- G.C. 137 defeated C.B.G.S. 108.
- G.C. 78 lost to S.C. 140.
- G.C. 133 defeated H.C. 105 and 3/88.
- G.C. 103 lost to G.G.S. 184.
- G.C. 33 lost to St. K.C. 89.
- G.C. 139 defeated W.C. 103.

HOUSE CRICKET

OPEN

ROUND I

Calvert defeated Mackie on First Innings by 7 runs.
 Calvert 114 (Cunningham 35, Unsworth 30, Anderson I 5/33).
 Mackie 107 (Menzies 26, Morrison 7/46).
 Morrison defeated Shannon on First Innings by 34 runs.
 Morrison 6/151 (Farquharson 49, Prenter 32 n.o.).
 Shannon 9/117 (Barkley 40, Scott 33).
 McArthur defeated Warrinn on First Innings by 108 runs.
 McArthur 2/171 dec. (Farrow 67, Oman 100).

K. W. NICOLSON TROPHY

(For the XI having the best performance for the season).
 Won by Under 15B XI.
 Won 5 matches, lost 1 match.

LONE VOICES

MAN OF THE NIGHT

The moonshine chases the clouds,
a yellow and baleful eye,
watching the creeping coastline,
hearing the country sigh.
Pale wind conies fresh off the sea-shore:
down cobbled street it shifts,
around the bleak and barren plains
it walks and whines and drifts.

The creaking signs of the "Sea Dog",
bang down and creak and groan,
and the night is full of purple noise,
each to itself alone.

A wailing cry comes out of the hills,
and down the castle's pile;
while the waves on the sea they tumble and toss,
and march on the shore by the mile.

Serried and searing lightning flash,
a branch of dancing sprite;
the turbulent trees are painted,
and drenched in lurid light.
The crashing and echoing drumming,
resounds and leaps on the tors,
and the drops are the tears of the towers
of clouds of sucking back spaws.

Then a figure strided over the hillside,
and down to the leathery sea:
the villagers cry in their dreamings,
the trees flail their branches and flee.
He stumbles through swirling droplets,
and furrows his steps in the sand,
lifts his head to the heavens of change
and bloated, he stares at the land.

J. L. Duigan, VI.

VISION IN VIETNAM

Yes I turn;
Am sucked inwards
To gaze in terror
At the chaos
In my conscience.

I see Justice,
Her golden flesh black,
Charred with napalm,
And her ludicrous scales
Crushed by caterpillar tyres.

I hear Freedom shriek
In the night,
As young men with halters
Round their necks and guns
In their hands are led
Into battle and to a slaughter.

I see War,
No longer corrupt, brassy and proud
But small, mean and cunning,
Sweating deceit
In black, oily drops.

And Death, stalking innocent
Peasant women
In the paddy fields,
Draws children into
The mud, to feel a cold kiss.

Dixon, VI.

THE CREEK

Seeping from glistening wet shingle,
A tiny ribbon of wine
Ripples across bars of stone,
And a trickle of foam
Bounces from boulder to boulder,
Sliding smoothly on the rock,
And bubbles under a cool dark blanket
Of moss and dampened trees,
To tinkle over flats
Of worn and rounded stone.

A. G. Davey, V.

JUNE, 1966—35

PREPARATORY SCHOOL

At the first Preparatory School Assembly for the year, the Headmaster welcomed the eighty new boys entering the school and expressed good wishes to the three new members of staff.

Miss B. N. Knapton came to us from Mercer House, Mr. D. K. Millard from New Zealand and Mr. T. G. Cook, an Old Collegian, from the Victorian Education Department.

During the term there have been busy classroom activity, a wide variety of sporting events and much interest shown in clubs—which include Adventurers, Trampoline, Wheels, Chess, Stamps, Gardening, Drama, Music and Naturalists.

The Parents' Night, held on March 16th, was a very pleasant occasion. The Robertson Hall was filled to capacity and the members of staff were introduced to the parents. Time was made available for the parents to meet the form teacher in the form room before enjoying supper together in the Dining Hall.

On March 30th, the boys in the upper forms visited the Corio Theatre to see the film, "The Fall of the Roman Empire". At a morning assembly we enjoyed a visit from Mr. M. L. Cartwright, an Old Collegian, and a group of young people from the cast of "Sing Out Australia".

Anzac Day was highlighted by the visit of Mr. Don Ingpen, President of The Geelong Legacy Club. The Women's Auxiliary Meetings have been well attended each month and St. David's Church was filled for the impressive Easter Service. The College Council held its final meeting for the term in the Robertson Hall.

Music has held a high place in the boys' interest during the term. The forty-five boys of the senior choir visited Scotch College for the Junior Schools' Musical Festival on May 9th and gave an excellent account of themselves, under the direction of Mr. H. Newnham. Mr. R. Heagney was the organist. The Prep News editors under the guidance of Mr. Van Cooten produced another interesting edition, and one hundred and seventy-three boys enrolled in the Victorian Tree Lovers' League.

The School Representatives appointed during

First Term were P. J. Dickson, J. N. Cherry, P. S. Lowe, R. J. H. Moles and T. G. Johnstone. They were presented with their badges of office by the Principal.

Improvements during the term have included a fine P.A. System and music cabinet in the Assembly Hall, a set of sports lockers in Rolland House, a sports area prepared for baseball and an area for storing and preparing turf for the cricket season. Mr. Thewlis kindly donated plastic covers for use at the trampoline site.

SOCIAL SERVICE

This has been an interesting first term of social service. Mrs. Marfell and Mrs. Dabb have visited us to speak about Karingal and Community Aid Abroad. Regular letters have kept us in touch with the Balarampur Project, served so well by Peter Cawthorn. The social service committee consists of— P. Schofield, J. Wardle, M. Williams, R. Kroger, A. Llewellyn, L. Barkley, R. Doyle, D. Thorn, D. Wood, J. McDonald, A. Colvin, R. Amery, S. Young, D. McKenzie, P. McKeon.

Donations have been made as follows:—

| | |
|---------------------------------------|------|
| Community Aid Abroad (Balarampur) | \$40 |
| Red Cross | 50 |
| Karingal | 30 |
| Royal Children's Hospital | 10 |
| Bethany Babies' Home | 20 |
| Spastic Children's Centre | 15 |
| Geelong Legacy | 20 |
| The Geelong and District Hospital . . | 40 |

SPORT

CRICKET. Under 14, Under 13A, Under 13B, Under 12A and Under 12B teams were fielded this year. The Under 14 team was somewhat limited in ability, because most boys of this age group are in Senior School, but some individual boys did show promise. The Under 13A team indicated the strength of cricket in the Preparatory School by defeating most of the other Public Schools. Players who acquitted themselves creditably were:— Batting Av.: P. Dickson 26, A. MacGillivray 17, J. Ford 16. Bowling: A. MacGillivray 37 wickets, av. 3.75; R. K. Barr 26

wickets, av. 3.8; C. Sutherland 14 wickets, av. 3.0.

The Under 13B, Under 12A and Under 12B teams did not play regular Saturday fixtures but performed well in their games.

TENNIS. Coaching has been conducted by Mr. Trethowan and Mr. Vickers-Willis. Two matches were played against G.G.S. with our team being successful on both occasions. The tennis championships are now in progress and some interesting games have been played.

HOUSE CRICKET. Only one round was completed in first term as it was felt that house cricket in term three would maintain interest in competition at the end of the year.

TERM II. Football, Hockey, Baseball and Basketball are offered to boys in the Preparatory School as their sport in term II and these sports are now in regular weekly competition.

SWIMMING SPORTS

The annual swimming sports were held at the new Norlane Pool under ideal conditions on March 7th.

The House championship was won by Pegasus House—122 points, followed by Minerva House—104½ points, Bellerophon House—77½ points and Helicon House—56 points.

Individual Championship winners were:—

- Open: 1, I. Smyth; 2, B. Doman.
- Under 13: 1, M. Kroger; 2, P. Lowe.
- Under 12: 1, G. Lindquist; 2, P. Revie.
- Under 11: 1, P. Hocking; 2, R. Taylor.
- Under 10: 1, J. Clarke; aeq. 2: C. Bryant, A. Wood.
- Under 9: 1, P. Morton; 2, S. Duff.

Results :

- Open 50 metres Freestyle
 - 1, I. Smyth; 2, R. Hastie; 3, B. Doman.
- Under 13 50 metres Freestyle
 - 1, M. Kroger; 2, P. Longden; 3, P. Lowe.
- Under 12 30 metres Freestyle
 - 1, G. Lindquist; 2, D. Abrecht; 3, G. Wood.
- Under 11 30 metres Freestyle
 - 1, R. Taylor; 2, P. Hocking; 3, W. Lucas.
- Under 10 Freestyle
 - 1, J. Clarke; 2, C. Bryant; 3, A. Wood
- Under 9 Freestyle
 - 1, P. Morton; 2, S. Duff; 3, N. Wood.
- Open 30 metres Breaststroke
 - 1, B. Doman; 2, D. Wood; 3, P. Steele.
- Under 13 30 metres Breaststroke
 - 1, M. Kroger; 2, P. Lowe; 3, T. Hutton.
- Under 12 30 metres Breaststroke
 - 1, G. Lindquist; 2, P. Revie; 3, M. Winkler.

- Under 11 30 metres Breaststroke
 - 1, P. Hocking; 2, R. Taylor; 3, J. Wishart.
- Under 10 Breaststroke
 - 1, A. Wood; 2, J. Clarke; 3, P. Morton.
- Open 30 metres Backstroke
 - 1, N. Steele; 2, I. Smyth; 3, P. Steele.
- Under 13 30 metres Backstroke
 - 1, M. Kroger; 2, P. Lowe; 3, I. Penna.
- Under 12 30 metres Backstroke
 - 1, G. Lindquist; 2, P. Revie; 3, G. Wood.
- Under 11 30 metres Backstroke
 - 1, P. Hocking; 2, R. Taylor; 3, M. Barley.
- Under 10 Backstroke
 - 1, C. Bryant; 2, J. Clarke; 3, A. Wood.
- Open 30 metres Butterfly
 - 1, G. Lindquist; 2, P. Lowe; 3, M. Kroger.
- Diving
 - 1, T. Collins; 2, I. Smyth; Aeq. 3rd, N. Steele, A. McGillivray.
- Open 4 x 50 metres Relay
 - 1, Minerva; 2, Pegasus; 3, Bellerophon.
- Under 13 4 x 50 metres Relay
 - 1, Minerva; 2, Bellerophon; 3, Pegasus.
- Under 12 Relay
 - 1, Bellerophon; 2, Helicon; 3, Minerva.
- Grade 3 Cork Hunt
 - 1, H. Kelso; 2, P. Schofield; 3, J. Griffiths.
- Grade 4 Cork Hunt
 - 1, B. Collins; 2, S. Duff; 3, D. Gray.

HEADMASTER'S REPORT 1965

Principal, distinguished guests, members of staff, boys of the school, ladies and gentlemen:

I have the honour of presenting to you what might be properly called the forty-fifth Speech Day Report of the Preparatory School. During the first twelve years of its existence this report consisted of a small portion of the Principal's Report delivered by the late Sir Francis Rolland at the annual Speech Day of The Geelong College. On the Twelfth of December, 1933, Mr. L. J. Campbell delivered the first separate junior school report at the first Prep. Speech Night held in the Morrison Hall. Since then much has been said about this junior school with all its responsibilities and opportunities; and a great deal has been said about the absorbing study of the young boy.

This year the emphasis has appeared to me to centre on our dependence upon others. The first busy years of pioneering a new site have successfully concluded. We can see ourselves more clearly as part of a continuing development; we can appreciate more deeply the vision and devoted service that stretches back over many long years. The kindness

and concern for others that is so evident in our school today, the goodwill and co-operation that abounds in the classrooms and on the playing fields is no new thing but rather something that has come to us as a sacred trust from those who founded the school and those who have carried it forward over the past forty-five years. The three hundred and forty boys and teaching staff of nineteen members are aware of this heritage and have indeed added to it by their own faith and devotion to the highest things of life.

I would like to here record my sincere appreciation for the effective and devoted work carried out by Mr. Wardie and the other members of staff. A tremendous amount of extra time has been given to clubs, music, art, craftwork, library, drama, hobbies, sport and outdoor activities by these men and women. All of this activity is done in addition to the formal academic work of the classroom. Most of our boys surely realize that they are singularly fortunate in having such a range of opportunity for developing skills and interests that will enrich their lives.

It is with pleasure that I record my warm thanks to Dr. H. N. B. Wettenhall and Mr. Peter Doak who have graciously consented to attend today as our Guests of Honour. Dr. Wettenhall will present the school prizes and address the boys of the school and Mr. Peter Doak will present the sports prizes. Peter Doak attended the College from 1955 until 1960 and has continued to have outstanding success as a swimmer. Peter was a member of the Australian team which won a bronze medal in the freestyle relay at the Tokyo monwealth Games in Perth he was a member of two teams which created world records in two freestyle events. He has won a number of Victorian open titles and is the present holder of Victorian records over 400 metres, 800 metres and 1500 metres. Peter also holds the Victorian country titles and records for 110 yards, 220 yards and 440 yards freestyle; 110 yards butterfly and 440 yards individual medley.

Doctor Wettenhall attended the College from 1930 to 1934 and is a member of The College Council and Chairman of the Grounds Committee. This year with the Reverend J. D. Martin of St. Andrews he agreed to watch especially the interests of the Preparatory School. I have found the keen interest and wise counsel of these two Council members of great assistance. Dr. Wettenhall has been closely linked with the "new Prep" through his two sons and also through his father the late Dr. Roland Wettenhall who served on the College Council for more than thirty years and through whose generosity we have that parcel of land that borders the river's edge and will become, without a doubt, one of the loveliest corners of this school. Dr.

Roland Wettenhall passed to his eternal reward on July 21st of this year.

A moment ago I referred to our dependence upon others. With this in mind, I refer to the passing of Sir Francis Rolland on January 22nd. I am reminded of Christ's words when He said, "I am the Vine ye are the branches". Christ would have us know the serenity and fruitfulness that comes through abiding in Him. In such a union His transforming Life is able to flow through our lives bringing meaning and inspiration to others. Sir Francis knew the secret of abundant life through his dependence upon God. As the founder of this Preparatory School and its inspiration down through the lengthening years, we honour him today. He it was who persuaded me to join his staff some twenty-six years ago, and, with the staff and boys, I was delighted to have him here as an honoured guest last year. We today pay tribute to his life and work and influence. We pledge ourselves to carry on with patience and enthusiasm the great work he began when he founded this school forty-five years ago.

Academic standards have remained at a high level this year. Quite naturally we were proud of the outstanding academic results obtained last year at the matriculation level by boys who left us only four or five years ago. Outside scholarship examinations have indicated this year that our top boys are rated as outstanding by outside examiners, and that they too will have every opportunity to excel as they proceed to higher studies. We also feel that the thirty-four boys of Second Form who have been awarded Junior Government Scholarships have well earned these awards.

Speech Day is an important milestone for all the boys of Second Form. One hundred and one graduate from our School today and take with them our congratulations and best wishes. Some of these boys began their College education at four years of age. For nine years they have enjoyed all that this school has had to offer them: three years of happy and exciting days at Campbell House followed by six years of remarkable activity at the new Prep. School. This group of boys has not worked at the "Old Prep" and can therefore be regarded as the first promotion list to come completely from the new junior school. We shall certainly miss these boys, and their parents, as they move on into Senior School. We recognise the standards they have set and the leadership they have given in this place and we congratulate the School Representatives, in particular, on their excellent year of service.

For the third year in succession the Harrierville educational adventure proved to be the highlight of Second Form activity. Mr. Wardle kindly invited me to exchange duties with him and this brought me one of the

most enjoyable weeks I have had—in perfect spring weather exploring the Kiewa Hydro Electric Scheme, climbing Alpine mountains, visiting Mt. Buffalo Chalet, enjoying frolics in the snow, learning the history and geology and geography of the district and thoroughly enjoying the comfortable quarters and excellent meals. Eighty-seven of us were helped by perfect conditions to reach the top of Mount Feathertop. This represented a fairly strenuous day for most of the boys and to mark the success of that occasion we have included Gary Roydhouse in our Sports Prize List. He will receive a small Harrierville trophy to remind him of his tenacity in reaching the summit of Mt. Feathertop. Much of the success of the Harrierville venture can be traced to the detailed preparation, to the emphasis on the project book, and to the evening study hour held each night. The guides exclaimed over the intense interest given by the boys and the splendid recorded work. I would express special thanks to Mr. Rachinger, Mr. MacPherson and Mr. Van Cooten for their assistance in this venture.

During this year members of staff have been very busy undergoing special courses related to the new mathematics syllabus. This affects the primary and the secondary classes. Fortunately we have been involved with Cuisenaire at the sub-primary and lower primary level for a number of years. This is proving to be an ideal basis for the new mathematics programme. The Cuisenaire method was begun in Belgium in 1953 by Monsieur Cuisenaire, the Director of Education. Doctor Gatego the Secretary of the International Commission for the Study and Improvement of the Teaching of Mathematics prepared most of the texts based on this system of teaching number by the use of coloured rods. This method has been widely tested the world over and the Victorian Education Department through its Research and Curriculum Branch has been busily preparing a new syllabus and text books based upon this approach to mathematics. At the same time there has been a complete revision of the work being undertaken at First Form Level and in February decimal currency begins. No doubt there will need to be patience and understanding by parents and teachers as the new maths, programme gets under way. It has been introduced by experienced teachers who have taught and been taught by the old method. They believe that the new approach, based on a deeper understanding of processes and more imaginative manipulation of numbers will prove a better basis for the technological age.

The Second Form syllabus of subjects has been extended this year to include Mechanical Drawing and Woodwork. This was made possible by the development of the woodwork

centre at the Senior School House of Guilds under the direction of Mr. White. The work done in the first year has been of a highly satisfactory standard and I know that the boys have not only enjoyed the work but have gained much benefit from it.

An excellent standard of work has again been maintained at Campbell House by Mrs. Sweetman and her staff. A marked improvement to the playing area has been achieved and the new attractive entrance from Claremont Avenue should encourage parents to use this rather than the busy Aphrasia Street approach. This year the acquisition of a portable T.V. set has assisted with T.V. programmes both at the Campbell House and at the Prep. On Monday afternoon at the very pleasant Campbell House Speech Day, Mrs. D. D. Davey was the Guest of Honour. We have been wonderfully well led by Mr. Davey during the Principal's absence overseas and we would express to Mr. and Mrs. Davey our congratulations and appreciation for all that they have meant to the school throughout this year.

A long list of achievements in such important activities as sport, drama, music, social service and ground developments is to be found in the school magazine just published. May I merely refer briefly to one or two details of all this important work and so relate it to the underlying aims of the school?

In Music there has been very pleasing progress made throughout the year. Mr. Newnham and Mr. Martin represented The College at the U.N.E.S.C.O. Conference in Music Education held in Sydney during our May vacation. Experience there confirmed Mr. Newnham's decision to introduce Glockenspiels and Xylophones in conjunction with a modern approach to music pioneered by Carl Orff, a German composer. He it was who wrote "The Carmina Burana" presented by The Geelong College and Morongo earlier this year: the Prep. School Choir and Mr. Newnham were involved in this presentation. New musical equipment has been purchased for use in the Robertson Hall and other accommodation made available for the storing of instruments. Each boy in First Form is now involved in learning a musical instrument as part of his formal class work. The boys have a choice of violin, flute, clarinet and brass instruments. It is very pleasing to note that Mr. J. H. Campbell who has been associated with this school for all of its life time is a member of the team of instructors helping the boys of First Form. Boys in other forms have the opportunity, of course, to have individual instruction in their own time, and nine boys in fifth form are learning the violin. The musical production "Theseus and the Minotaur" was written by Mr. Newnham (music and words) and presented by the boys

40—THE PEGASUS,

of fifth form with the help of musicians from second form. On United Nations Day a new song was used, the music and words being written by the boys of 6c Form with the help of Mr. Newnham.

Social Service work has been most effective under the guidance of Mr. Rachinger. In particular we have been pleased to be linked to a Community Aid Abroad project at Balarampur in India where Peter Cawthorn (an Old Boy of our School) is labouring for two years. Peter visited us last year prior to leaving for India and explained the purpose of his work as a voluntary agricultural adviser to the people of Balarampur. Each month we receive a detailed report of the work being done and during this year we have supported him with several gifts totalling £50. The total social service contributions for the year has reached £390.

I would like to congratulate Mr. Hatton and staff members on the high standard of efficiency that has characterised all the sporting activities of the year. There has also been a noticeable improvement in standards in the various sports and this was highlighted by the large number of records broken at the annual athletic championships. It is not many years ago since Mr. Hatton and Mr. Roland were representing The College in Senior teams and we are fortunate to have men of this calibre in charge of our outdoor activities today.

The school still manages to attract a goodly number of visitors. During the year we had the Bursars from the Independent Schools, nineteen Headmasters from the Independent Junior Schools, and the members of the Geelong Presbytery to hold meetings here and inspect the school. Many compliments have been paid to the school. Besides the modern building with its outstanding features, comments are invariably made about the beauty of the grounds. This year we have had the advantage of a detailed Master Plan which has been skilfully drawn up by an expert landscape architect. Several copies have been made for the benefit of the Principal, members of the Grounds Committee and myself. This has been made possible through the generosity of Dr. Wettenhall. I would like you to have a look at this comprehensive Master Plan of the Grounds which is on the notice board in this quadrangle. In thanking, Dr. Wettenhall and his Grounds Committee for the help and guidance given, I would add my appreciation for the splendid work put in by our ground-staff. We express thanks to Mr. Griffiths for the trampoline; to Mr. Funston for a gift of shrubs; to Mr. Dennis for a gift of hay for mulching; to Mr. Gray for use of his rotary hoe; to the parents and friends and staff and boys for working so hard and providing Open

Day Funds to make so much possible. (A number of parents made very generous donations of goods for the various stalls).

Through the Open Day Fund we have been able to obtain our own tractor: to surface the basketball court: to re-surface the two tennis courts and develop large new areas of the extensive grounds.

The second year in Rolland House has been a very good year indeed. The resident staff has worked splendidly under the Housemaster's competent direction. I am very pleased with the effective use Mr. Roland makes of his senior boys who form the House Committee, and I was delighted with the curtaining of the T.V. room by the boys under his guidance. This is indicative of the happy efficient boarding house and I know Mr. Roland would like me to pass on thanks to Miss Grenfell, to the domestic staff and to the hospital staff for their kindly care. Improvements have been made to the drying room, sports lockers provided for each of the boarders, furnishings added to the T.V. room and a great deal of improvements made to the Rolland House Grounds.

The Women's Auxiliary at Campbell House has completed a very good year under the leadership of Mrs. Barley, and Mrs. Fagg has been an excellent leader at the Prep. We thank these auxiliaries for their keen interest and loyal support.

It is gratifying to announce that we have qualified for Commonwealth Government Aid in the building of a Science Laboratory here at the Preparatory School sometime during the next triennium and that the College Council expects to be able to initiate this further building activity as soon as the finance becomes available.

I would like to refer to the valued leadership of our Preparatory School Chaplain, the Reverend A. J. McAdam who has been able to bring to us an awareness and an understanding of the things of the spirit. He has been ably assisted in this work by the weekly visit of the College Chaplain, the Reverend J. D. Bentley, whose influence has enriched the whole school in his first year at the College.

During the year we said farewell to two members of staff who retired after years of splendid service. I refer to Mrs. Bogwitz and Mrs. Turner and express to them again our gratitude and best wishes. Mrs. Brown and Mrs. Durant have been warmly welcomed into our midst and have given fine service during third term. Mr. G. Smith, Mr. G. Van Cooten and Miss M. Kilburn were welcomed early in the year and we have appreciated the very good work they have completed in their first year. Mr. Van Cooten accepted the extra responsibility of the Prep. News

and we compliment him on the very high standard maintained. We were delighted to welcome Mrs. Wood home from her overseas trip and have the benefit of her guidance in the Library throughout third term. We express a warm welcome to Mr. Whitton who joined Senior School Staff during the year and is engaged in teaching French to our Second Forms. Next year Mr. Kemp will be engaged in teaching near his home in New Zealand. We wish him a very profitable year and a safe return to us in early 1967. Mr. J. N. Watson leaves us to make his home in Melbourne and to take up a teaching position at Trinity Grammar School. He takes with him our thanks for work well done and good wishes for future success.

Mr. A. J. Firth, our Senior Master, today relinquishes his teaching after fifty years of faithful service. The last twenty years have been spent here at the Preparatory School. In all of these years he has been a fine friend, a splendid teacher and a kindly Christian gentleman. The members of staff and the boys of the school join with me in paying tribute to the splendid service given over many years by our esteemed Senior Master. We honour him for what he has been and for all he has accomplished through the years, and we wish him great happiness in his years of retirement.

It was with great pleasure that we welcomed home the Principal and Mrs. Thwaites from their overseas tour. We are very pleased to know that Mr. Thwaites has made a good recovery from his recent illness. We know that he will bring renewed vigour and inspiration to his leadership through the wealth of experiences he has had.

I have referred today to our dependency upon others: to the vision and wisdom and inspiration of our founder; to the devotion and energy and skill of our staff; to the enthusiasm and generosity and ability of our boys.

As we bring the school year to its close may I remind you that our task has been to equip our boys to live in a new age with the greatest happiness to themselves and the greatest good to the community. They are the heirs of the ages: they are to be the builders of the future. While we would have them walk with their eyes on the stars, we would have them able to keep their feet firmly planted on solid ground. The only sure way to follow in this pursuit of truth and goodness and beauty is for us to depend more fully upon Him who is the Way the Truth and the Life.

I wish you, each one, a happy Christmas season.

Ian R. Watson.

SCHOOL PRIZE LIST

ACADEMIC

PRIMARY FORMS—

Third Form—

Dux: D. S. Sutherland
 ("The Eric Bruford Carr Memorial Prize")
 2: A. D. Thorn
 3: R. J. Anderson
 Then follow: N. C. Wood, J. L. Davidson,
 S. M. Johnson, G. R. Plumridge.

Fourth Form—

Dux: M. C. Anthony
 2: A. R. Wood
 3: N. I. A. G. Brand
 Then follow: A. J. Cooke, S. Mel. Chirside,
 W. S. Crosby, D. M. Herd.

Fifth Form—

Dux: R. S. Taylor
 2: R. H. Hyett
 3: J. R. Mann
 Then follow: J. L. Wishart, M. C. Jaques,
 A. P. Thompson, A. P. Keen.

Fifth-Sixth Form—

5C—

Dux: R. G. Kroger
 2: J. R. Clarke
 Then follow: G. M. Drinnan, P. I. Hocking.

6C—

Dux: D. G. Thompson
 2: T. J. Witcombe
 Then follow M. D. Lang, W. L. Hobbs.

Sixth Form - 6B—

Dux: D. E. Thorn
 ("The Brook Wilson Memorial Prize")
 2: D. R. S. Wood
 3: G. J. Harrison
 Then follow: P. D. S. Nail, V. M. Lamb,
 J. L. Barkley, G. A. Webb.

SECONDARY FORMS—

First Form - 1G—

Dux: P. J. Dickson
 ("The Emily and A. N. Shannon Memorial
 Prize")
 2: J. H. Birrell
 3: J. D. Mann
 Then follow: I. L. Hurley, C. J. Ford, P. S.
 McKeon, P. A. Baulch.

First Form - 1H—

Dux: D. A. McKenzie
 2: P. S. Lowe
 3: J. N. Cherry
 Then follow: G. C. Wood, I. W. Penna, T. G.
 Williams, P. A. Wade.

42—THE PEGASUS,

First Form - II—

Dux: C. S. Sutherland
 2: T. G. Johnstone
 3: S. W. Spry

Then follow: P. J. Deans, E. D. Simson, P. W. Penno, N. R. C. Steele.

Second Form - 2A—

Dux: L. R. McLean
 2: P. B. Henshaw
 3: H. G. Seward

Then follow: G. C. Blyth, D. E. Clarke, T. R. J. Brown, C. J. Scott-Murphy.

Second Form - 2J—

Dux: C. M. Lamb
 2: J. H. Collins
 3: I. C. Revie

Then follow: J. M. Slattery, M. L. David, R. J. Forsyth, D. A. Spry.

Second Form - 2K—

Dux: J. F. Woodburn
 2: D. W. Ellis
 3: P. L. Keddie

Then follow: S. R. Jaques, J. M. McDonald, B. G. Fagg, R. J. Deans.

Second Form - 2h—

Dux: A. W. Payne
 2: D. M. Doman
 3: T. R. Power

Then follow: R. S. Fenner, J. R. Meredith, L. McD. Doody, J. S. Weddell.

"The Nancy Bonney Music Prize"—

G. R. Hunter

United Nations' Awards—

S. D. Hyett

Honorable Mention: A. D. Thorn, R. C. Bell, T. G. Williams, P. J. Dickson, L. M. Doody.

Drama Prize—

L. M. Doody

Librarian Prize—

H. G. Seward

"The Robert Gillespie Prizes" for Scripture:

Primary— C. B. Olsen

J. L. Barkley

Secondary— I. H. Carroll

D. J. Embling

"The Rolland House Prize"—

For leadership in the boarding house.

P. J. Osmond

"James and Dolina Arbuckle Prize"—

For all round ability and service to the school.

J. S. Weddell

Dux of the Preparatory School—

"The Henry Purnell Memorial Prize"

L. R. McLean

SPORTING

Under 9 Athletic Championship—

("The E. R. Sparrow Cup")

1: R. Adams
 2: J. Weddell

Record Cups—

Athletics:

R. Adams, Open Long Jump, 17 ft. 7 ins.

R. Adams, Open 880 Yards, 2 min. 35.3 sees.

J. Weddell, Open 100 Yards, 11.2 sees.

J. Weddell, Open Hurdles, 11.9 sees.

M. David, Under 14 Long Jump, 15 ft. 10 1/2 ins.

M. David, Under 14 Hurdles, 12 sees.

M. David, Under 14 100 Yards, 12.2 sees.

B. Fagg, Under 14 High Jump, 4 ft. 8 ins.

M. Koch, Under 14 High Jump, 4 ft. 8 ins.

J. Woodburn, Under 13 100 Yards, 12.2 sees.

JUNE, 1966—43

J. Woodburn, Under 13 Hurdles, 12.3 sees.
J. Woodburn, Under 13 Long Jump, 15 ft.
10 ins.
J. Woodburn, Under 13 220 Yards, 29 sees.

Harrietville Trophy:

G. A. Roydhouse.

House Competition—

"The John L. Little Cup" for Swimming:
Pegasus House.
House Captain: J. Woodburn.

"The J. Ford Strachan Cup" for Football:
Bellerophon House.
House Captain: J. Weddell.

"The Spencer Nail Perpetual Cup" for Athletics:
Pegasus House.

House Captain: J. Woodburn.

The Inter-House Cricket Cup:
Presented by The Women's Auxiliary:
Bellerophon House.
House Captain: J. Weddell.

The Inter-House Tennis Cup:
Pegasus House.
House Captain: J. Woodburn.

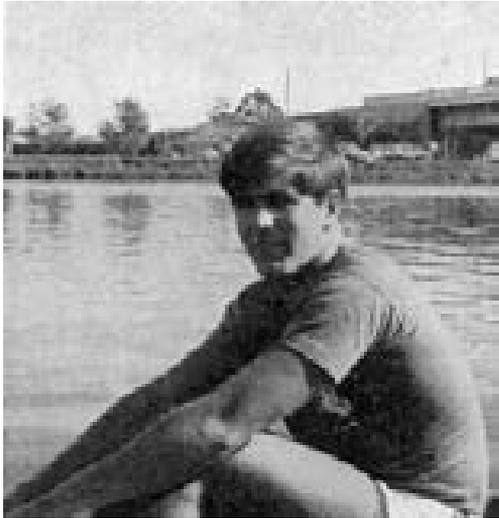

"The K. H. Taylor Cup" for Music-
Helicon House.
House Captain: I. A. MacPherson.

The Work and Conduct Trophy:
Presented by The Women's Auxiliary.
Bellerophon House.
House Captain: J. Weddell.

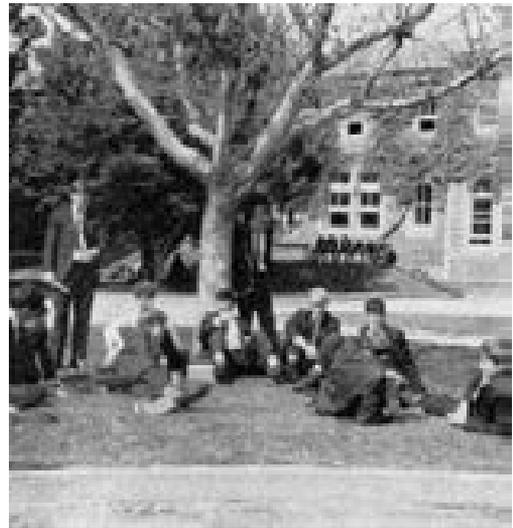

The Geelong Hockey Association:
"The Jarman Hockey Shield"
won by the Prep. Hockey Team 1965
Captain: L. R. McLean.

OLD BOYS

ASSOCIATION PUBLICATIONS

You will notice that the form of the Old Boys' section of The Pegasus is different from that usually adopted, and that a number of features (personal news and so on) are absent.

The Committee has decided that "Ad Astra", which is now an official publication of the O.G.C.A. will in future carry the detailed news of the Association activities and of Old Collegians, and that The Pegasus will carry only brief accounts of official functions and other information which should be recorded in a permanent form.

With the development of correspondence within the year groups, it is expected that the quantity of personal news about Old Collegians, which we are all interested to read, will increase considerably, and that "Ad Astra" will be eagerly awaited as the means of enhancing fellowship and engendering the sense of family unity which the reorganization of the Association is seeking to achieve.

ASSOCIATION ACTIVITIES

ALUMNI PROGRAMME

The first year of the Alumni Programme is now of the past, and as we step forward into the second year of this far reaching scheme, we do so with the encouragement of all that has been achieved in the inaugural year.

The Group and Year Chairmen who showed their confidence in the revised constitution by offering to assist in the launching of the Alumni Programme have given freely of their time to unite those in their respective Year Groups, and to promote the welfare of The College.

A great deal of correspondence concerning the ideals and objectives of the Alumni scheme has been sent out by the Year Chairmen to old collegians, and although a few might have felt at times that too much attention was being paid to correspondence, the interest which it has evoked in the majority of old boys is now reflected in their willingness to take a more active part in the affairs of The College.

Year Group reunions are being held and old boys are deriving much pleasure in renewing acquaintances which, in many cases, have lapsed for upwards of 20 years. Others who have been out of touch with The College have expressed their appreciation that someone has taken the trouble to contact them.

New branches have been formed and reunions held. Old collegians in the United Kingdom have formally asked the General Committee for their blessing on the formation of a branch in London.

More and more old boys are visiting The College and taking an interest in the Association's activities. Much is being talked about our first undertaking—the Rolland Centre—and much is being done in a practical way by collegians to ensure its success.

None of these things however has 'just happened'. This renewed enthusiasm, and interest for the College has, very largely, been the result of the devotion which Year Chairmen have shown in what has often been a difficult and thankless task, that of presenting the objectives of the association and the needs of The College to old collegians.

May we hope that old boys will support Year Chairmen more fully in this worthwhile and vital work? Their service is not for personal gain; it is for our College.

OLD BOYS' DAY

Old Boys' Day will be held on Saturday, 25th June, 1966.

In the afternoon there will be a football match between the College XVIII and Caulfield Grammar School.

The annual general meeting will follow at 4.30 p.m. in the lecture room which is situated upstairs on the south side of the quadrangle.

An invitation is extended to all Old Boys to attend a church service in St. David's at 5.15 p.m. which will be conducted by the College Chaplain.

At 6 p.m. light refreshments will be served at Aberdeen House, which is only a few minutes walk from the College, and at 7 p.m. the annual reunion dinner will be served in the dining hall at the College.

Mr. George Logie-Smith, together with former members of the Glee Club, will be present to give some excerpts from the Gilbert and Sullivan operas.

AD ASTRA

Our application to the P.M.G's department to have Ad Astra registered as a periodical has been approved.

This of course has resulted in a considerable saving of postage to the Association.

If those old collegians who have not yet returned the ORDER FORM which was sent out with Edition No. 13, could do so at an early date we would save even further postage.

DISCIPLINARY ACTION

The Committee regrets that it has been forced to take disciplinary action against two members of the Association, who made a considerable nuisance of themselves on College premises during the Boat Race week-end. The Committee deplores such action on the part of any of its members and has found it necessary to indicate its disapproval by suspending their membership.

48—THE PEGASUS,

COLLEGE HOCKEY CLUB

Robb Timms (1960) is chief coach of the Hockey Club at the College. He is being assisted by Bruce Hope (1961) and Ken MacLean (1957).

The assistance of Old Boys as coaches to the various sports is always welcome.

Any Old Boy who would like to help the College in this way is asked to contact the Master in charge of Physical Education—Mr. E. B. Davies.

BOAT CLUB

It is with great pleasure that we acknowledge two anonymous gifts of \$10.00 each which were given to Mr. J. H. Campbell and Mr. T. L. MacMillan by two Old Boys at the Head of the River on 2nd April, 1966.

REUNIONS

ALBURY

The Albury Branch was duly formed at a meeting of old collegians who assembled at the Globe Hotel, Albury, on Wednesday, 25th May, 1966. Mr. B. R. Keith (Acting Vice-Principal); Mr. Fred Elliott (Housemaster Warrinn); Mr. Neil Everist, a member of the College Council and the College Architect, and Mac McVittie, the Executive Officer, represented the general committee and the College.

About twenty Old Collegians, several of whom had not seen each other for many years, enjoyed an evening of good fellowship. Mr. Fraser Paton was elected the branch's first president, whilst Mr. Peter Mayne undertook to carry out the duties of secretary and treasurer.

Mr. Keith responded to the toast of "The College" and Fred Elliott brought everyone up to date on College personalities.

This branch is the first to be formed under the Alumni Programme and the best wishes

of the President of the Association (Mr. George Ewan) and the General Committee are extended to Fraser Paton and members of the newly formed branch.

GIPPSLAND

The annual reunion of the Gippsland branch was held at the Macalister Hotel, MafTra, on Friday, 29th April, 1966.

Over 30 old collegians and their guests attended the dinner. Jock Farquharson welcomed the guests who included the President of the Association, Mr. George Ewan, Mr. Ted. Davies (Master-in-charge of Physical Education), Mr. J. H. Campbell, and Mr. Mac McVittie.

George Ewan gave an interesting talk on the changes which had taken place within the association over the past two years. He thanked the members for their loyal support during his term of office as President, which he said ended in June.

"J.H." and Mac McVittie also addressed the gathering during the evening. Graham Rees was unanimously elected President for the ensuing year, whilst John O'Brien agreed to continue in office as the branch secretary.

LONDON

The Old Geelong Collegians in London held a meeting at Brown's Hotel, Albemarle Street, Piccadilly, on Friday, 29th April, 1966 to welcome Mr. Davey (Vice-Principal) and Mrs. Davey to London.

Don. Lawler (1945), Senior Information Officer, Australia House, presided.

The proposal that a London branch of the O.G.C.A. be formed was enthusiastically received and pending formal approval from the General Committee, an Executive Committee, headed by Tom. Robertson (1932) was appointed to provide a liaison between London and the O.G.C.A.

Mr. Davey brought everyone up to date on College and Association affairs and showed colour slides of the College, including the new Sir Arthur Coles Science Block.

Those present extended their best wishes to Don. Lawler on his impending transfer to The Hague.

SCHOOL DIARY

Thursday, 3rd February. The first assembly was held in Morrison Hall. Prefects were announced: G. A. Donnan, Captain of School; S. J. Menzies, Vice-Captain of School, Captain of Mackie; J. E. R. Dennis, Vice-Captain of Mackie; R. W. Mel. Farrow, Captain of McArthur; G. B. Senior, Captain of Shannon; P. A. Young, Captain of Warrinn. I. H. Unsworth was appointed House Prefect and Captain of Calvert. Books were distributed during the morning and House meetings were held in the afternoon.

"Wimmera OGCA", the new eight, and two new fours, "Steele" and "Gray", were named at the boatsheds.

Sunday, 6th February. The first church service for the year was held in St. David's Church. All boarders attended.

Monday, 7th February. The Swimming Committee was appointed: S. J. Menzies, G. C. Wood, C. B. Chapman, D. L. H. Batten.

Tuesday, 8th February. The new activities programme for the year was outlined by Mr. Mahar after school.

Friday, 11th February. R. W. Mel. Farrow was appointed Cricket Captain, with G. Oman and A. W. Morrison as joint Vice-Captains. Other members of committee were B. Illingworth and A. D. Bell. Peter Young was appointed Captain of Boats, with Bill Dennis as Vice-Captain.

Monday, 14th February. I. H. Unsworth and D. J. Poynton were appointed School Prefects.

Wednesday, 16th February. Heats for the House Swimming Sports were held at the Norlane Pool,

Thursday, 17th February. Prefects were inducted at St. David's Church during the morning service.

Friday, 18th February. The Tennis Committee was announced: I. H. Unsworth (Captain), R. Harris (Vice-Captain), A. W. Bailey, J. E. R. Dennis, G. A. Donnan, G. H. Shanks.

And the Music Committee: P. L. Dixon, D. J. Ellis, N. E. Hancock, I. A. Keith, M. I. McDonald, I. A. Penrose, A. J. Sim, R. L. Spokes.

The first debate for the year was held at 7.30 p.m. The topic was "Should All Schools be Co-educational".

Wednesday, 23rd February. Shannon House won the Swimming Sports held at the Norlane Pool.

Tuesday, 1st March. Initiation examinations began after school.

Wednesday, 2nd March. Geoff Donnan and Ian Unsworth went for lunch to the Preparatory School. Miss Hall gave an interesting talk on AVA during Current Affairs period.

Thursday, 3rd March. A Head Prefects' meeting was held at Scotch College.

Friday, 4th March. Mr. Davey commenced his overseas leave.

Thursday, 10th March. John Menzies and James Dennis lunched at the Preparatory School. The Ernabella Choir came to tea in the dining hall and later performed at the Plaza Theatre.

Tuesday, 15th March. The RAAF band gave a most entertaining recital during seventh period.

Thursday, 16th March. Don Poynton and Bill Farrow lunched at the Preparatory School.

Friday, 18th March. Mr. Mahar and Mr. Whitton outclassed Donnan and Proudfoot in a masters v pupils debate.

Saturday, 19th March. The Swimming Team competed at Wesley, then won the Geelong All Schools' Competition at Norlane.

Monday, 28th March. Forms IV, V and the Matriculation Literature class went to see the Young Elizabethan Players at Norlane.

Wednesday, 30th March. A morning parade was held in order to practise for the Commonwealth Youth Sunday Parade,

Thursday, 31st March. Peter Young and Graham Senior lunched at the Preparatory School.

Friday, 1st April. The College VIII rowed magnificently to win their heat of the Head-of-the-River from St. Kevin's College.

Saturday, 2nd April. Boat Race finals—College showed a great improvement on last year's form in most crews. The First VIII came third in the finals.

Tuesday, 5th April. Morrison House crew, all of whom were members of the College First VIII, fairly comfortably won the House Rowing Competition.

Wednesday, 6th April. Morrison Hall was cleared of furniture and fittings for the beginning of renovations after Easter. The traditional Easter Service took place in the afternoon, after which boys dispersed for the holidays.

Friday, 15th April. A. D. Bell was appointed Football Captain, D. Malseed Vice-Captain and A. A. A. Bell and G. A. Donnan members of the committee.

Wednesday, 20th April. Examinations began for Vth and VIth forms.

Friday, 22nd April. The Moderator visited the Preparatory School.

Monday, 25th April. The Anzac Service was held in the cloisters and the Captain of School laid a wreath in the War Memorial.

Friday, 29th April. Mr. Blainey, author of Australian history books, gave an interesting talk to an evening inter-school meeting in the library.

Sunday, 1st May. Commonwealth Youth Sunday Parade in Geelong.

Thursday, 5th May. C. B. Chapman, W. L. Dennis and I. M. Prenter were inducted as School Prefects during morning assembly.

Friday, 6th May. Mr. Dave Davies, member of the Australian Communist Party, gave a talk in the evening.

Saturday, 7th May. Cadets went to the Williamstown rifle range for their shooting training, while Second year Matriculants went to the Melbourne University Open Day.

Thursday, 12th May. End of Term.

SPEECH DAY

1965

Speech Day was held on Thursday, 9th December. Sir Arthur Coles was in the chair, and the prizes were presented by Dr. David Myers, B.Sc., B.E., D.Sc.Eng., M.I.E.E. (Aust.), F.Inst.P., Vice-Chancellor of La Trobe University, and G. W. C. Ewan, Esq., President of The Old Geelong Collegians' Association.

PRINCIPAL'S REPORT

Mr. Chairman, Mr. Vice-Chancellor, Mr. Ewan, Ladies and Gentlemen:

This report, the 105th Annual Report of The Geelong College, will in a number of ways, be somewhat sadder than many which have gone before, for this year the College family has lost, at least in terms of our limited earth-bound consciousness, the active interest and support of a number of its best-loved senior members. And yet it is not surprising that a family of such size and age should be, from time to time, subject to such losses. Indeed, it is part of its strength, its good health and its foundations in Christian concern, that we become acutely conscious, at such times, of our mutual dependence, and of the importance of our close-knit personal relationships.

This year I have learnt once again, during my absence overseas, and then during my further enforced absence this term, how strong and dependable this College community is. Despite many unexpected trials and difficulties, it has carried on smoothly and efficiently, without any sign of the lowering of standards that such troubles so often bring.

It is because of this awareness of the strength of these family relationships that it seems to me singularly appropriate that we should have as our guest of honour today Doctor David Myers, B.Sc., B.E., D.Sc.Eng., M.I.E.E., M.I.E. (Aust.), F.Inst.P., who took up his duties as Vice-Chancellor of the La Trobe University at the beginning of September this year. We are glad that he and Mrs. Myers should be able to pay us this early visit, because, no doubt, in years to come, perhaps even in 1967 when the University opens its doors, many boys from this school will go on to La Trobe for their further

studies. But it is appropriate for another important reason. As you may know, I have had the good fortune of serving on the Interim Council of La Trobe since it was established. I have been greatly impressed from the beginning by the important new concepts which are to be worked out at La Trobe through a system of Colleges, whose purpose and theory is not unlike our own House system on a much larger scale. It is because of Doctor Myers' obvious concern that La Trobe should provide, to a far greater extent than most other Australian universities are able to do, the framework and facilities through which creative personal relations can be encouraged, that he is so specially welcome here today. We know here, from more than a century's experience, how important these relationships are.

This year four men, whose contribution to the welfare of this College is beyond measure, have died: on 22nd January, The Very Rev. Sir Francis Rolland, aged 86; on 21st July, Dr. Roland Wettenhall, aged 83; on 31st July, Mr. Ross Quick, aged 54; and on 10th August, Sir Gordon McArthur, aged 69. Each of these men has played such a large part in our history, and was in himself such an interesting personality that I could well talk of him for the whole time available to me this afternoon. I must, instead, be content to refer you to the obituaries which are contained in "Pegasus", and to the tributes which have been paid to these men elsewhere, in the hope that all of you will share something of the inspiration and gratitude with which we are inevitably filled by such lives.

For the present boys and staff, the sudden death of Ross Quick, in the midst of his many vigorous involvements in the life of the school, was an acutely personal and unsettling shock. There are many boys here today who had found him to be a reliable, encouraging and patient friend, and these were often boys who found it difficult to submit willingly to the authority of other adults. I am sure that Mrs. Quick knows, as we do, how deep was his concern for any boys for whom he had responsibility or who needed his help, whether in his House, on the sports field or in the classroom, and therefore she can be assured of the depth of our sympathy for her.

These departures from our family have cast some shadow of sadness over the year, even though the fullness of their lives has been such a clear cause for rejoicing. There have been other sorrows and troubles also. Mr. Brian Lester, our Senior Mathematics Master and Housemaster of Shannon House, is still seriously ill, and has recently undergone a further operation. We anxiously await his return to health. And this year two men who have given long and faithful service are retiring, though both will, I hope, be still assisting

us in a part-time capacity next year. They are Mr. George Martin, our Bursar since 1941, who did so much to help in bringing the school through the difficult years after the war, and whose health has now made it necessary for him to lighten the load a little earlier than he had hoped; and Mr. A. J. Firth, who joined the Preparatory School Staff in 1946, but whose work at the House of Guilds has been at least as important as his contribution in other fields.

In addition to the staffing problems created by Ross Quick's death, Brian Lester's illness, and an unexpected resignation, we had the further misfortune, during second term, of the worst epidemic of influenza for many years. Altogether about 160 boys were away from school at various times, some of them more than once. We were very fortunate indeed to have such an efficient and willing medical staff, Dr. Morris, Sister Skene and Sister Lang, and to be able to draw upon the generous assistance of so many others during the emergency. We had all been sorry when Sister Turski had found it necessary to resign at the end of first term, for she had been most competent, and popular with boys and staff alike. But how lucky we are that Sister Skene, who has replaced her, has proved no less competent and no less popular, and has come through these two busy terms with flying colours!

I have said enough to show you that it has not been an easy year. But despite the problems there has been much which, even though it has required great effort and has made further demands upon those responsible, can be counted as positive gain.

To begin with, the staff situation was greatly improved by the appointment, in August, of Mr. D. J. Whitton, M.B.E., B.A. (London), Dip.Ed., and Mr. J. V. Hanna, B.Com., and the prospects for 1966 are reassuring. The only further changes at the Senior School are due to the departures of Mr. R. G. Maclean, who was appointed to a temporary position last January when we found it necessary to add an additional class at Fourth Form level, and of Mr. G. Cutts, who is returning to service in the Navy. We are making two new appointments to the mathematics and science staff in Mr. M. W. Blank, B.Sc., M.A.C.E., an experienced senior teacher from Queensland, and Mr. P. H. Chislett, B.Sc, Dip.Ed., a recent graduate from Melbourne. These two additional men should be of considerable help in the difficult task facing us in the next few years of moving over to the new approach to mathematics which is spreading throughout the world.

At the Preparatory School, we have had two resignations, those of Mrs. G. Turner and Mr. J. N. Watson, both after three useful

years of service. Mrs. Turner has already been replaced by Miss Barbara Knapton and other appointments are likely soon. Mr. Kemp is taking a year's leave to work in New Zealand, and will be returning to the staff in 1967. We are again fortunate to have so few changes in staff, for this element of stability is an important factor in the maintenance of both academic standards and pastoral concern.

A second area in which we should be thankful is in the growing strength and support of the Parents' Association, and of the Old Collegians. Both of these have seen important achievements this year. You must all know by now of the remarkable success of the vigorous voluntary efforts of a strong body of parents in obtaining promises of over £47,000 for the modernisation of the Morrison Hall. If you have been wondering why we have again moved to a new area for Speech Day this year, at least part of the explanation lies in the fact that, as was done last year, we have deliberately brought you here to remind you that it is in this area that our next major building development is to take place. We are all very much indebted to Mr. J. F. Strachan, who was Chairman of the Appeal Committee; to Dr. J. W. Bishop, who is Chairman of the Follow-On Committee; and to many others for all the hard work they have done for us. The Council is hoping to be able to commence work on the project early next year, as soon as a reasonable proportion of the funds has come in, and other financial provisions can be arranged.

The Old Collegians' Association has been equally active. An office has now been made available at the College, and we welcomed Mr. A. R. J. McVittie as the first full-time secretary of the Association in May. All known Old Collegians have now been registered and organised into Year Groups, and much correspondence and personal discussion has already taken place about the affairs of the Association in general, and their own special project in particular, namely, the building for the College of a much needed Physical Education Centre in memory of Sir Francis Rolland. Already funds for this purpose are beginning to come in.

As is our regular custom, we have again invited the President of the Association to present the sporting trophies for us today, and I welcome him on your behalf. Mr. George Ewan has become a very familiar figure at the College this year, for he has spent many hours here at meetings and upon other formal duties. Both the College and the Association owe much to him for his leadership in this critical year of change.

Old Collegians have given much generous support in the past, and we will need their

continued help more and more in the future, if we are to keep pace with the ever-changing demands of a full education. Nevertheless, we also welcome the growing signs of understanding of our particular contribution to education and our needs, by the governments of both State and Commonwealth. I am pleased to be able to report that we have been offered and have accepted a Commonwealth grant of £8,230, to be paid during the 1966-1968 triennium, towards a science laboratory at the Preparatory School.

We seem already to have some sound evidence of the value of the many improvements made to the facilities of the College in recent years. Our external examination results last year were the best we have ever had. They included, from 73 boys at Matriculation level, 28 first class honours (to which last year's Dux, A. D. Proudfoot, who returned to school again this year, contributed no less than 5), 55 second class honours, and 58 completed matriculations, the Exhibition in Agricultural Science (and also the boy in second place for the State), a shared General Exhibition, 25 Commonwealth Tertiary Scholarships, 2 Scholarships to Ormond and 2 to Queen's and a Creswick Forestry Scholarship. We will be surprised if we do quite so well this year, but feel confident that the general improvement in standard throughout the school is being maintained.

But of course this can only be done at a cost. The Council has this year continued and must continue its policy of offering to the teaching staff salaries at least as good as those paid in the State Departments, and at the same time making provision for as much modern equipment and facilities as are needed to gain the best advantage from these men of high professional qualifications. These needs, including two upward salary adjustments during the year, have made it necessary to increase fees again from first term next year. The only three comforting thoughts that I can offer myself and other fee-paying parents are: firstly, that the amount of scholarship assistance seems to be increasing (for instance, we have at present in the school 43 boys with Commonwealth Secondary Scholarships worth £200 per annum, and 87 boys with Junior State Scholarships, worth up to £42 per annum); secondly that, at least as far as this place is concerned, I believe you are getting value for money; and thirdly that we do here try to lighten the load in desperate cases by making grants from our Bursary Fund. Now, in addition, the Council has decided to offer a 10% discount on tuition fees for boys who wish to return for a second matriculation year. I have always believed that many boys can make the all-important first year at University much more successful

and rewarding, if they are patient enough and their parents are wise enough to let them have this additional year at school.

I have said that despite our trials and tribulations this year, we have very many particular achievements for which to be thankful; many indeed which I have no time to mention here, but which are recorded elsewhere. However, in my own mind and heart, I keep returning to the one overriding virtue which has become even more apparent to us all this year, and that is the strength and stability of the College community, based upon the remarkable quality of the men and women in it who occupy positions of responsibility. And chief amongst these, of course, has been Mr. D. D. Davey, our Vice-Principal. Few schools can be so fortunate as to have in this vital position a man of his qualities, his willingness to give unlimited, unselfish service, and his intelligent but unswerving loyalty to the welfare of the College. All, both within the school and in other schools, are loud in praise of the way in which he has shouldered the additional duties and responsibilities which my prolonged absence has entailed; and I myself would like to place on record my heartfelt personal thanks to him and to Mrs. Davey, for without our confidence in them both to do all that was necessary in our absence, my wife and I could not have enjoyed as we did the full value of our overseas tour. I am delighted that the Council has accepted generously my recommendation that Mr. Davey should be given the opportunity to continue in more detail next year the investigations overseas, which I could only begin. He and Mrs. Davey will be away for six months from the beginning of March, and will go with the best wishes of us all.

As Acting Principal, he was, of course, most ably supported by other senior men, by Mr. Keith, as Acting Vice-Principal, by Mr. Watson, by the Housemasters, by the Senior Subject Masters, and by the Chaplain, all of whom had to assume some additional responsibilities. I am sure all these men know how their efforts are appreciated. And beyond the academic staff, he could rely upon the ready co-operation and proven competence of Mr. Martin, as Bursar, Mr. Jamieson, as Administrative Assistant, and Mrs. Cloke, as Housekeeper. We indeed have a strong and reliable team; and it is a team which, I am glad to say, has the respect and co-operation of the boys themselves. The welfare of the school is very largely in the hands of the more senior boys, and each year produces from amongst them leaders, and others with unsuspected special talents. We have been fortunate this year to have many reliable, mature, and loyal boys amongst the School and House Prefects, and in other positions of responsibility.

JUNE, 1966—55

As from 1st January next, Mr. Jamieson will become Bursar. To assist him we have appointed an Old Collegian, Mr. R. S. Dennis, as Accountant, and believe that his advent, together with the introduction of machine accounting, will further increase the efficiency of the administration, and the adequate control of our by no means simple economy.

One of the benefits of my absence this year has been in the opportunity it has given me to think about the school from a distance. You can already see that one of the things I have thought about a good deal is what seems to me the outstanding quality of so many of the people working here. But there is clearly another factor operating, and that is the remarkable wisdom of the Council in creating the conditions in which such good staff can work. To do this, the Council works very hard. It has several active committees meeting each month to provide carefully considered information and recommendations for the full monthly Council Meeting, and many of its members are also active in other areas of the College affairs. We are indeed lucky to have so many able men, willing to give so much time and effort, with no thought for their own convenience.

No small part of the reason for this is that most members of the Council are themselves Old Collegians, with long family connections with the College. Two more such men have recently been added, following in the tradition of their fathers: these are Mr. F. S. McArthur, eldest son of Sir Gordon, and Mr. D. W. Rogers, elder son of Brigadier J. D. Rogers. It is with regret that we must record the further illness of the Rev. Kenneth MacLean, which has prevented his recent participation in the life of the College, and upon the Council.

You may have expected me to make more reference in this report to the results of my investigations overseas. I have not done so, because I should first discuss them with the Council, and have indeed already submitted a report which raises a number of important issues. It will undoubtedly take some months of careful consideration before any policy decisions can be reached. It is perhaps sufficient to say at this stage that we at this school are not alone in our debate as to the content of the education we should be providing, and the nature of the organisation best suited to give it. All over the world there is urgent discussion about the relative virtues of "selective" and "comprehensive" schools, of large and small schools, of boarding and day schools: and within these schools, of the relative importance that should be attached to academic work, cultural activity, games, religion, and social adjustment.

It is clear that we cannot afford to stand still in these matters, and much careful investi-

gation has been made by the staff here recently to see whether we can devise a daily routine for next year which provides a better balance. You may hear more of this next February.

All these dilemmas must be faced directly or indirectly by the Council, in its long-range planning, as well as by the staff. For whatever course is adopted it has its economic implications as well as its educational significance. I have no doubt that the Council will continue to find the best possible answers, not simply because of the ability and wisdom of its individual members, but because it is led, and has been led for so long, by a man whose strength of purpose and mature judgement have, I believe, meant more to this school in the last quarter century than any other single factor in its history. I am delighted that the Old Collegians' Association has chosen this occasion to do honour to you, Sir, our Chairman, by presenting to you the insignia of an Honorary Life Member of the Association.

I hope you will not feel that it is inappropriate to conclude this somewhat discursive report by using the words of a prayer which, I believe, sums up the sense of purpose that has so clearly inspired the work of so many people during this year. In the famous words of Sir Francis Drake:

"O Lord God, when thou givest to thy servants to endeavour any great matter, grant us also to know that it is not the beginning but the continuing of the same until it is thoroughly finished which yieldeth the true glory. Through Him who for the finishing of thy work laid down His life."

SCHOOL PRIZE LISTS

ACADEMIC

FORM PRIZES—

Form HID—

Dux: T. J. Woodburn
2: W. M. Foreman

Then follow: W. B. Keen, D. J. Calder, R. C. Yockins, R. A. T. McInnes.

Form IIC—

Dux: N. L. Clarke
2: T. C. Dennis

Then follow: R. J. Armstrong, B. A. Smibert, H. J. Hickman, R. D. Ross.

Form IIIB—

Dux: K. Edwards
2: I. F. Sayers

Then follow: E. R. J. Smart, W. R. Bright, D. R. Henry, A. C. Urquhart, R. D. Grover.

Form III A—

Dux: T. P. Thwaites
2: P. C. Hardy
3: C. M. Lang
4: D. T. Runia
5: D. F. Galbraith

Special Prize:

J. N. Keddie

Then follow: J. A. R. Cook, L. G. Milne, A. de G. Fairhead.

Form Lower IV—

Dux: E. S. Taylor
2: A. R. McNeill

Then follow: I. D. Lamont, P. U. Peardon, P. H. Bufton, R. A. Casbault.

Form IVC2—

Dux: P. F. Laidlaw
2: R. M. Strong

Then follow: D. L. E. Browne, A. W. Edgar, D. J. Watson, D. F. Koch.

Form IVCI—

Dux: K. L. Spiller
2: J. G. Woods

Then follow: G. J. Fryatt, R. W. Senior, M. J. Taylor, K. W. Nation.

Form IVB—

Dux: G. A. David
2: D. A. McArthur
3: I. A. Baird

Then follow: D. B. Wardle, G. A. Chapman, P. L. Betts, D. J. McIvor.

Form IVA—

Dux: A. J. Bailey
("The Douglas Higgins Memorial Prize")
2: J. E. Young
3: J. W. M. Dickson
4: B. L. Costin
5: S. C. Funston
6: J. S. Paton

Then follow: N. L. Smith, A. G. Davey, H. R. R. Cook.

Form VB3—

Dux: A. R. Hill
2: M. L. Dickins

Then follow: C. M. Malkin, J. D. Harvey, J. C. McHarry

Form VB2—

Dux: A. G. Todd
2: J. D. Crellin
3: G. R. Williamson

Then follow: G. S. Sutherland, R. McTavish, D. G. Schofield.

Form VBI—

Dux: R. P. Nott
2: N. J. H. Campbell
3: A. G. Jenkins

Then follow: D. L. Atyeo, I. G. Brown, A. Grainger, G. W. Christie.

Form VA—

Dux: G. T. Bigmore
("The T. S. Hawkes Memorial Prize")
2: A. H. Cunningham
3: C. B. Proudfoot
4: I. D. Bishop

Then follow: I. D. Laidlaw, A. C. Walter, D. C. Green, I. W. Jamieson, M. I. McDonald.

Form VI—

T. R. Carney:
Modern History.

R. F. P. Just:
Literature, French and History.

A. M. McLean:
Economics and History.

B. R. Olsen:
Social Studies and Geography.

N. E. Johnston:
Special Merit in Mathematics and Science.

JUNE, 1966—57

- A. B. Urquhart:
 Special Merit in Geography and Social Studies.
- P. R. Webb:
 Special Merit in Humanities.
- R. G. Betts:
 Merit in Humanities.
- R. H. Davey:
 Merit in French and Chemistry.
- J. H. Day:
 Merit in Mathematics and Science.
- D. C. Lamont:
 Merit in French and Mathematics.

SPECIAL

"The A. T. Andrews Memorial Prize" for Mathematics and Science in the VIth Form:
 J. D. Roydhouse

"The Robert Gillespie Prizes" for Scripture:
 Junior: T. P. Thwaites
 Intermediate: P. G. V. Holland
 Senior: I. M. Prenter

Alliance Francaise Prizes:

- Intermediate: 1st Prize Dictation:
 A. J. Bailey.
- Leaving: 3rd Prize Reading and Conversation:
 A. G. Jenkins.
 1st Prize Recitation:
 J. L. Duigan.
- Matriculation: 3rd Prize Reading and Conversation:
 D. C. Lamont.
 1st Prize Reading and Conversation, 1st Prize Recitation:
 R. D. Cumming.

"The E. R. Scott Prize" for Best Instrumentalist:
 P. R. Webb

Music Prize:

P. R. Webb

"The Harry Hooper Agricultural Science Prize":
 P. T. Funston

"The Alexander Coto Memorial Prize":

"The John Coto Memorial Prize":

- Two prizes for boys unplaced in the Form Prize order, who have worked consistently:
 G. J. Deutsher
 B. A. Hope

Art Prize:

P. R. Brushfield

"The Stanley Calvert Memorial Prize" for Debating:

R. D. Cumming

"The Pegasus" Prizes for the best original contributions:

- B. L. Costin
 R. D. Cumming

The Junior Leader Prize: Presented by 3 Cadet Brigade:

D. A. Cook

"The James Fraser Sutherland Memorial Prize" for Craftsmanship:

R. P. Jessep

"The G. Logie Smith Shield" for Inter-House Music Competition:

Shannon House

Captain: P. R. Webb

"The Fen and Roy Pillow Bursary" for a Vth Former returning next year, highest in the Form order and a member of a first P.S. Team:

G. T. Bigmore

"The Dr. Gus Kearney Memorial Prize" for all-round ability and service to the College:

B. R. Olsen

The Headmaster's Prize:

A. M. McLean

Dux of the College, 1965: Presented by the President of the Old Geelong Collegians' Association, G. W. C. Ewan, Esq.:

Not yet awarded. To await publication of Matriculation examination results.

University of Melbourne Awards:

Ormond College:

Major Resident Scholarship:

A. D. Proudfoot

Minor Resident Scholarship:

T. R. Carney

The Ormond Prize:

A. M. McLean

Queen's College:

Resident Scholarship:

J. D. Roydhouse

Dux of the College, 1964: Presented by the President of the Old Geelong Collegians' Association, G. W. C. Ewan, Esq.:

A. D. Proudfoot

SPORTING

Under 14 Swimming Championship:

- 1: L. S. Ritchie
- 2: C. N. Collins

Under 15 Athletic Championship:

- 1: T. R. Dennis
 ("The Athol J. Wilson Cup")
- 2: M. A. Riddle

Under 15 Swimming Championship:

- 1: A. H. Gordon
- 2: J. W. Roydhouse

Under 15 Tennis Championship:

- D. S. Barkley
 J.G.C. Williamson
- Doubles 1: D. S. Barkley
 Singles 1: D. S. Barkley
 2: G. R. Hodgson

58—THE PEGASUS,

Under 16 Athletic Championship:

- 1: G. A. David
 ("The G. W. C. Ewan Cup")
 2: D. A. Johnstone

Under 16 Swimming Championship:

- 1: G. T. Bigmore
 2: D. L. H. Batten

Under 17 Athletic Championship:

- 1: L. P. Torode
 ("The J. H. Campbell Trophy" presented by J. H. Campbell, Esq.)
 C. I. C. Anderson
 aeq. 2: D. G. Malseed
 A. W. Morrison

Open Athletic Championship:

- 1: G. E. Richardson
 ("The Geelong College Cup")
 2: T. R. Carney
 ("The Norman Morrison Cup")

Open Swimming Championship:

- 1: B. R. Olsen
 2: S. J. Menzies

Open Tennis Championship:

- Doubles 1. R. W. McI. Farrow
 R. R. Pigdon
 2. R. R. Harris
 A. M. McLean
 Singles 1: R. R. Pigdon
 ("The Mrs. T. S. Hawkes Memorial Cup")
 2: I. H. Unsworth

SPECIAL

"The K. W. Nicolson Trophy":

Best aggregate performance of any School team in the Inter-School Cricket Competition for Season, 1965.

Second XI

Captain: P. J. Speirs

"The V. H. Profitt Cup":

Best aggregate performance of any School team in the Inter-School Football Competition for Season, 1965.

Under 14B XVIII

Captain: T. W. Habel

Best Shot, 1965:

D. G. Read

"The F. R. Quick Football Trophy" for the best footballer of the year:

J. B. Gardner

"The W. H. Hill Memorial Cricket Trophy" for the best cricketer of the year:

P. J. Marshall

"The J. C. Cunningham Memorial Trophy" for Open Weight Put:

S, J. Menzies

"The Nigel Boyes Trophy" for Open Athletic Field Games Events:
 Not Awarded

Old Collegians' Athletic Trophy:
 (120 yards handicap):
 C. C. Blair

RECORD CUPS—

Cups presented to boys who equal or break existing records during the year.

Swimming:

(Presented by A. D. F. Griffiths, Esq.)
 G. T. Bigmore: 50 Metres Breaststroke, Under 16—37.5 sec. 50 Metres Backstroke, Under 16—34.1 sec.
 J. W. Roydhouse: 50 Metres Breaststroke, Under 15—40.6 sec.

Athletics:

(Presented by the late Athol J. Wilson, Esq.)
 M. S. McKeon: Cross-Country, Under 15—14 min. 16 sec.
 R. A. Lamb: Cross-Country, Under 17—24 min. 15.5 sec.
 G. A. David: 100 Yards Hurdles, Under 16—13.4 sec.

INTER-HOUSE COMPETITION—

"The Nigel Boyes Memorial Cup" for Athletics:
 Morrison House
 Team Captain: T. R. Carney

"The F. R. Quick Memorial Cup" for Football:
 (Presented by the boys of 1965)
 Morrison House
 Team Captain: P. J. Speirs

"The J. Stoker-N. Shannon Cup" for Rifle Shooting:

Calvert House
 Best shot: M. L. Dickins

"The Henry Young Memorial Cup" for Rowing:
 Mackie House
 Stroke: W. L. Dennis

"The A. D. F. Griffiths Cup" for Swimming:
 (Presented by the Western District Branch of O.G.C.A.)

Shannon House
 Team Captain: H. L. R. Cook

"The F. W. Rolland Cup" for Tennis:

Calvert House
 Team Captain: I. H. Unsworth

"The S. B. Hamilton-Calvert Cup" for the Winner of the Inter-House Competition:
 Morrison House
 House Captain: P. D. Watson

EXAMINATION RESULTS 1965

MATRICULATION

Honours:

- Betts, R. G.: 1st, Modern History; 1st, British History.
- Borthwick, I. R.: 2nd, General Maths.
- Carney, T. R.: 1st, Modern History; 2nd, Biology.
- Davey, R. H.: 2nd, French; 2nd, Chemistry; 1st, British History; 2nd, Economics.
- David, R. J.: 2nd, Pure Maths; 2nd, Applied Maths.
- Day, J. H.: 1st, Pure Maths; 2nd, Applied Maths; 2nd, Physics; 1st, Chemistry.
- Dennis, J. E. R.: 2nd, Physics.
- Dennis, W. L.: 2nd, Physics.
- Donnan, G. A.: 2nd, Pure Maths; 1st, Physics; 2nd, Chemistry.
- Drew, A.: 2nd, English Literature; 2nd, Social Studies.
- Farrow, R. W. McL.: 1st, General Maths.
- Hucker, D. A.: 1st, Physics.
- Jessep, R. P.: 2nd, Geography.
- Johnston, N. E.: 2nd, Physics; 2nd, Chemistry; 2nd, Biology.
- Just, F. P. R.: 2nd, English Literature; 2nd, French; 1st, British History; 2nd, Latin.
- Lamont, D. C.: 2nd, French; 1st, General Maths; 2nd, Physics; 2nd, Chemistry.
- McArthur, E. L.: 2nd, English Literature; 2nd, Geography.
- McLean, A. M.: 2nd, English Literature; 1st, Modern History; 2nd, British History; 2nd, Economics.
- Menzies, S. J.: 1st, Modern History.
- Myers, D. R.: 2nd, British History.
- Nelson, W. D.: 2nd, Biology.
- Olsen, B. R.: 2nd, Geography; 2nd, Social Studies.
- Proudfoot, A. D.: 2nd, English Literature; 2nd, French; 2nd, Economics; 2nd, Biology.
- Roydhouse, J. D.: 1st, Pure Maths; 1st, Physics; 1st, Chemistry; 2nd, Biology.
- Senior, G. B.: 2nd, General Maths.
- Shanks, G. H.: 2nd, General Maths.
- Watson, P. D.: 2nd, Physics.
- Webb, P. R.: 1st, Music Practical; 2nd, Music Theory.
- Wettenhall, G. B.: 2nd, English Literature.
- Young, P. A.: 2nd, Pure Maths.

The following passed the Matriculation Examination:—

In Six Subjects:

Nelson W. D.

In Five Subjects:

| | |
|---------------|------------------|
| Cook D. A. | Just F. P. R. |
| Cook H. L. R. | Lamont D. C. |
| Davey R. H. | Menzies S. J. |
| Day J. H. | Unsworth I. H. |
| Deacon P. F. | Waters B. G. H. |
| Donnan G. A. | Wettenhall G. B. |

In Four Subjects:

| | |
|-------------------|---------------|
| Birks A. G. | Forsyth P. W. |
| Brushfield P. R. | Hope B. A. |
| Chapman C. B. | Hucker D. A. |
| Currie A. D. | McNeill D. J. |
| Dennis J. E. R. | Myers D. R. |
| Dennis W. L. | Thomas M. E. |
| Farrow R. W. Mel. | Thomson L. R. |

In Three Subjects:

| |
|--------------------------------------|
| Beckett C. C. H. (Plus Compensatory) |
| Dickson D. J. (Plus Compensatory) |
| Gardner J. B. (Plus Compensatory) |
| Poynton D. J. (Plus Compensatory) |
| Shanks G. H. (Plus Compensatory) |
| Spry P. A. (Plus Compensatory) |
| Young P. A. (Plus Compensatory) |

The following passed in one or more Matriculation Subjects:—

In Three subjects:

| | |
|---------------|-------------------|
| Nichols R. W. | Pennefather D. H. |
|---------------|-------------------|

In Tivo Subjects:

| | |
|----------------|----------------|
| Burger R. D. | Prenter I. M. |
| Henton D. G. | Speirs P. J. |
| Jamieson R. C. | Urquhart A. B. |
| Moffat J. D. | |

In One Subject:

| | |
|---------------|-----------------|
| Cumming R. D. | Senior G. B. |
| Funston P. T. | Thomas G. W. |
| Jessep R. P. | Whitcroft D. L. |
| Lloyd L. P. | Wright M. J. L. |
| Sears D. McL | |

60—THE PEGASUS,

The following passed the Matriculation Examination in 1964, and passed in 1965 :-
In Five Subjects:

| | |
|-----------------|-----------------|
| Borthwick I. R. | Olsen B. R. |
| Crane H. | Roydhouse J. D. |
| Drew A. | Webb P. R. |
| Johnston N. E. | |

In Four Subjects:

| | |
|--------------|-----------------|
| Betts R. G. | McLean A. M. |
| Carney T. R. | Proudfoot A. D. |

In Three Subjects:

David R. J. (Plus Compensatory)
 Watson P. D.

In Two Subjects:

McArthur E. L.

LEAVING

The following passed the Leaving Examination:

In Eight subjects:

| | |
|---------------|-----------------|
| Bigmore G. T. | Proudfoot C. B. |
|---------------|-----------------|

In Seven Subjects :

| | |
|------------------|----------------|
| Bishop I. D. | Davis N. McD. |
| Bowler J. R. | Duigan J. L. |
| Carstairs R. T. | Green D. C. |
| Craig G. E. | McDonald M. I. |
| Cunningham A. H. | Walter A. C. |

In Six Subjects:

| | |
|------------------|------------------|
| Atyeo D. L. | Kramer G. |
| Barr R. J. | Laidlaw I. D. |
| Crellin J. D. | Leishman L. |
| Dickins M. L. | Mullins J. J. |
| Dixon P. L. | Peters A. H. |
| Hancock N. E. H. | Rule H. W. M. |
| Hill A. R. | Todd A. G. |
| Hocking P. A. | Torode I. P. |
| Jamieson I. W. | White S. D. |
| Jenkins A. G. | Williamson G. R. |

In Five Subjects:

| | |
|----------------|------------------|
| Barr N. T. | Lester D. E. |
| Beaton A. M. | Longton G. |
| Beel C. N. | McLarty E. J. |
| Brown I. G. | Miles A. D. |
| Campbell N. J. | Morris R. M. |
| Downey W. A. | Osmond P. A. |
| Ellis D. J. | Read D. G. |
| Grainger A. | Smibert J. K. |
| Heard E. C. B. | Sutherland G. S. |
| Hede T. J. B. | Wood G. C. |

In Four subjects:

| | |
|----------------|----------------|
| Anderson S. M. | Miller I. R. |
| Christie G. W. | Morrison A. W. |
| Forsyth I. T. | Newton R. J. |

| | |
|-----------------|-----------------|
| Gilmore G. M. | Sambell D. C. |
| Harvey J. D. | Schofield D. G. |
| Home G. A. | Scott D. G. |
| Langsford B. H. | Selman D. G. D. |
| Malkin C. M. | |

In Three Subjects:

| | |
|---------------|-----------------|
| Barber B. L. | McClelland A. |
| Bell A. A. | McDonald B. C. |
| Cole S. J. H. | McHarry J. C. |
| Gaunt C. C. | Nott R. P. |
| Holland R. A. | Smith D. N. |
| Jolly D. A. | Steele A. H. C. |
| Keith I. A. | Tucker J. McD. |
| Libby W. M. | Webster R. J. |

In Two Subjects:

| | |
|-------------------|----------------|
| Bell A. D. | McTavish R. |
| Berlyn R. S. | Pigdon R. R. |
| Coutts R. W. Mel. | Ritchie M. S. |
| Crawford K. I. J. | Scott I. J. |
| Harris R. R. | Strachan J. F. |
| Kidd N. F. S. | Strong P. H. |
| McCreedy G. R. | |

In One Subject'

| | |
|-------------------|-------------------|
| Anderson I. C. | Latta L. R. |
| Barr D. R. | Neeson N. |
| Clutterbuck D. A. | Senior G. B. |
| Coutts J. A. | Illingworth G. B. |
| Jones D. | |

INTERMEDIATE

In addition to Form IVA and Form IVB boys who passed an internal Intermediate Examination, the following boys passed at the external Intermediate Examination:—

In Eight Subjects:

| | |
|-----------------|---------------|
| Finlayson J. S. | Romanic M. L. |
| Jones G. L. | Spiller K. L. |
| Nation K. W. | Weddell D. R. |

In Seven Subjects:

| | |
|-----------------|----------------|
| Edgar A. W. | Owens G. K. |
| Gardner R. F. | Taylor G. McD. |
| Henderson W. L. | Troup J. A. |
| Koch D. F. | Woods J. G. |

In Six Subjects:

| | |
|-------------|--------------|
| Oman G. G. | Strong R. M. |
| Perry R. J. | |

In Five Subjects:

| | |
|-----------------|-------------------|
| Barling D. J. | Gough W. J. |
| Browne D. L. E. | Illingworth G. B. |
| Burgin N. J. | Laidlaw P. F. |
| Davidson J. M. | Senior R. W. |
| Douglas J. G. | Simson R. D. |

WANTED

PEGASUS 1909-1920
 AD ASTRA 1, 2, 7, 9, 10

The appeal for early copies of "The Pegasus" to provide five additional complete sets for the school libraries and the Archives has just recently resulted in the completion of the second set. This was the result of a number of early copies which we received from Mrs. G. Macmillan of Canterbury, Victoria,

The position now is:—

Set 1 — Complete.

Set 2 — Complete.

Set 3 — 9 copies required from 1912-1918.

Set 4 — 18 copies required from 1911-1920.

Set 5 — Numerous copies required from 1909-1920.

Mr. A. D. Mahar of The College staff would be pleased to hear from any Old Boys or friends of the School who could help further in this. Mr. Mahar would also be pleased to receive copies of "Ad Astra", numbers 1, 2, 7, 9 and 10

PEGASUS COMMITTEE

Master-in-charge: A. D. Mahar, Esq.

Editors: P. L. Dixon
 G. A. Donnan
 C. B. Proudfoot
